REPORT ON CHRISTIAN EDUCATION

The Baptist State Convention of 1959 meeting in Greensboro authorized the appointment of a strong committee to study the "pressing needs" of our seven Baptist colleges.

A progress report of the Committee to study the needs of the colleges was made at the 1960 session of the Baptist State Convention in Asheville. At the request of this Committee a special session of the Convention was convened in Greensboro May 4, 1961. After thorough discussion of the needs of the colleges, the following, in part, was adopted:

> "That beginning January 1, 1962, we urge our churches to increase their Cooperative Program gifts at least 35 per cent during the years 1962-1963-1964 . . ."

Much needs to be understood by North Carolina Baptists if we are to be in full sympathy with this action.

Our forefathers set about to provide colleges where Christian education would be provided not only for ministers and other church leaders, but for leadership in all areas of social activities. For more than seventy-five years after the opening of Wake Forest, her presidents and supporters often opposed any colleges being operated by the state. Evidently, these men forsaw what has happened with much of higher education in America today. With a secular state providing a secular education we are rapidly losing the early Christian education emphasis. North Carolina Baptists have been pioneers in this effort to preserve Christian education. The struggle for these colleges as the hope of providing Christian education for young men and women must never stop if our Baptist people wish to have a significant role in shaping the kind of world we are to have. As go these Christian colleges, so will go our homes and our churches. There can be no Christian homes and churches in today's world when we cease to provide Christian education.

These are important matters which are often overlooked by critics of our Baptist colleges. Of the Baptist students attnding one of our seven colleges, one out of eight students is preparing either for the ministry or some other church-related vocation. Here we find our Baptist seed corn for the kind of Baptist harvest we may expect to reap in the future. The annual operating budgets of these seven colleges total between eleven and twelve million dollars. Students pay some over half of this total and Baptists through the Cooperative Program this last

college year paid about five per cent of the operating costs. In addition to these two sources, students and Baptists, the colleges must look to other sources to provide nearly one half the operating costs.

Now, what can we do to help?

1. Be informed and concerned.
2. Encourage your best students to attend.
3. Pray for these schools.
4. Support the Cooperative Program
5. Promote and support Christian Education Day in your Church.

O. M. Burckhalter
Respectfully submitted,
Christian Education Representative

18—Report on Baptist Hospital was called. In the absence of L. K. Griffith, the report was read by Fred Paschal of the Siler City Church. Speaking on the report was Dr. W. K. McGee from the Baptist Hospital. Report approved as read.

Post Office Box 32
Siler City, N. C.
October 10, 1961

The Moderator of the Sandy Creek
Baptist Association

Dear Sir:

The total contribution made by member Churches during the year 1961 for the support of the Baptist Hospital was $3,359.72. These contributions represent givings by all Churches in the Association with the exception of three.

One Church who failed to contribute when contacted stated that their contribution was made through the Co-operative Fund. This information was passed on to Dr. McGee and we quote from his letter as follows:

"Many of our people are confused at this point thinking that when they discontinue the special offering and increase their Co-operative Program gifts, the hospital will receive an enlarged contribution from the Church. This is not the case, of course, and the hospital receives no additional funds when the Co-operative Program is thus increased."

I make this a part of my report in the hope that during the year 1962, we will have 100% contribution from all Churches in the Association. It is through this effort that we will properly support our Baptist Hospital.

Respectfully submitted,
L. K. Griffith
Hospital Representative

23—Tribute to Claude F. Gaddy, retiring leader of Christian Education in North Carolina was given by O. M. Burckhalter. The Clerk was instructed to send a letter of appreciation to Mr. Gaddy for his faithful years of service to Christian Education in North Carolina. This has been done. A partial reply follows:

Dear "W. C.":

In these three months of my so-called retirement, nothing has been done for which I am more grateful than your thoughtfulness in sending me the good message from the Sandy Creek Baptist Association. To you and the other dear people, let me say a sincere "thank you".

24—Hospitality Report by Mrs. Fred P. Nooe, Jr. Report adopted as given.

REPORT OF HOSPITALITY COMMITTEE

To have 304 guests for dinner is quite an undertaking, even when your "house" is new, your equipment modern, and your cooks excellent. How-

ever today the pastor and each member of Mt. Olive Church have made us of the Sandy Creek Association feel completely welcome. Even when the reports (such as this one) were wordy, the flowers were an inspiration; and the music was lovely. May I, for all of us, say "Thank you!" to both this church and the program committee for a day of inspiration, information, and fellowship.

Respectfully submitted,

Mrs. Fred Nooe, Jr.
Mrs. Paul Cromer
Mrs. C. P. Bradley

After the benediction the meeting was adjourned to meet in Pittsboro at 7:30 P.M.

27—Welcome to the Pittsboro Church was very graciously extended by their new Pastor, The Rev. Gilbert G. Mister.

28—Christian Life Commission Report was given by Rev. Richard J. Thornton. Dr. Eugene Poston, President of Gardner-Webb College, spoke on the report. Adopted as given.

INFORMATION SHEET FOR ASSOCIATIONAL REPORT ON THE CHRISTIAN LIFE COMMISSION OF THE SOUTHERN BAPTIST CONVENTION

161 Eighth Avenue, North, Nashville 3, Tennessee
Foy Valentine, Executive Secretary

The Christian Life Commission has sought to serve Southern Baptists during the past year by a many-fronted emphasis on applied Christianity. Believing that there is an adequate biblical basis for this emphasis and that an imperative command to action is inherent in the gospel message, the Commission worked as extensively as its budget would permit in helping Southern Baptists to come to a better understanding of the practical aspects of the Christian faith.

The agencies which maintain a continuing relationship with local Sunday schools, Training Unions, Woman's Missionary Unions, Brotherhoods, and Baptist Student Unions have afforded the Commission its best opportunities to make a significant emphasis on the application of the Christian principles in such aspects of daily living as family life, race relations, moral issues, economics and daily work, and citizenship.

Conferences on "Christianity and Political Action" were conducted in 1960 by the Christian Life Commission at Glorieta and Ridgecrest. Attendance averaged about 200 per session at both encampments, the largest in the history of the Commission's work. The messages were reproduced and made available through the Commission's office. The

1961 conferences at Glorieta and Ridgecrest dealt with "Christian Answers to Family Problems."

The Christian Life Commission now has 26 pamphlets in print in the specialized field of applied Christianity. About 130,000 of these pamphlets on family, race, citizenship, communism, daily work, and such moral issues as alcohol, salacious literature, and gambling were distributed on request to Southern Baptists last year.

An important part of the Christian Life Commission's work during the past year has been the preparation of special articles on various aspects of Christian social ethics for Southern Baptist publications. The reception which the Commission experienced during the past year with regard to this writing service has led to a determination to expand this ministry as quickly and as extensively as possible.

During 1960 the Commission assisted many Southern Baptists and others who sought special information in the field of applied Christianity for special research and writing projects in which they were engaged.

Numerous speaking engagements have been filled by the members and staff of the Christian Life Commission. While this method of reaching Southern Baptists with the Commission's distinctive emphasis on applied Christianity has some obvious limitations, it is nevertheless true that there is no substitute for preaching. The Commission has therefore sought to expand its ministry in this vital area.

According to the Bible it is not enough for believers to meet the formal requirements of Christianity. God expects his people to put Christian faith into action in everyday life. In the light of this conviction the Christian Life Commission continues to be dedicated to the task of helping Southern Baptists to carry into every area of life the whole gospel of Jesus Christ.

29—Brotherhood Report called but there was no one present to give the report.

30—Royal Ambassadors Report, prepared by Rev. C. W. Cox and read by Rev. M. E. Cunnup. Adopted as presented.

REPORT OF ROYAL AMBASSADOR WORK

The Royal Ambassador work in the Sandy Creek Association offers a great challenge to the churches. There appears to be a general misunderstanding as to the value of this work. Our young boys nine to seventeen years of age are our Christian leaders of tomorrow, our laymen, our deacons, our teachers, our ministers, and our missionaries. They will tomorrow be our main strength. They need the leadership and training, the fellowship and Christian activity which the Royal Ambassador advancement can produce.

In this year of 1961 the State Office of Royal Ambassadors has proposed a new and modern program for its chapters. The new program calls for three divisions among the boys: the Crusaders, the Pioneers, and the Ambassadors. Each area of the program has been revised and bettered. There are new manuals, new insignias, and new facets to the mottoes and pledges.

In order for there to be Royal Ambassador chapters in our churches, the men of our churches must become acquainted with the work and be stimulated to organize and promote it. The boys can benefit by it, our churches can be made stronger, and our men can use this opportunity to employ their time and ability in enhancing the Lord's work.

During the last year in our Association only four of our churches have been in communication with the State Headquarters in regard to RA work. Let's see new chapters organized this year and put this new

program for our boys to work in our churches.

Respectfully submitted,
C. W. Cox, Jr.

31—Woman's Missionary Union Report given by Mrs. Hubert Thomas. Adopted as given.

ASSOCIATIONAL W.M.U. REPORT

"For the Love of Christ Constraineth Us" was the W.M.U. Watchword for the year. I think the records show that each member of the W.M.U. certainly had the love for Christ in her heart as she worked diligently for the cause of missions in our association and around the world.

For several years the Southern Baptist Conventions has asked the W.M.U. to increase their special offering by a certain percentage each year. I'm happy to report that this Association increased their Lottie Moon Christmas offering for Foreign Missions more than 20%. The Annie Armstrong offering for Home Missions more than doubled the amount given last year.

The executive Board, meeting quarterly, tried to make plans to push forward all phases of W.M.U. work. Many members of the board attended conferences in Lexington and Goldsboro to prepare themselves to lead classes in workshops held in our association. These workshops were held in October at First Church in Sanford and at Love's Creek and was well attended by leaders from local W.M.U.'S.

One of the highlights for this year was the annual associational meeting held at Love's Creek in March. More than 250 people received a blessing and inspiration as they heard Mrs. John Allen Moore a missionary from Switzerland and Miss Willa Dean Freeman, our State G.A. Director.

Let us turn our thoughts now to our youth organizations. Our sunbeam bands are increasing in number and also the G.A.'s. There have been many G.A.'s crowned queen this year. which is an honor to any girl. We had a good representative of girls at our summer G.A. Camps.

Our Y.W.A.'s have held regular council meetings throughout the year, featuring a guest speaker each time. The Y.W.A. Director, Mrs. George Graham. taught a leadership course to leaders of the Y.W.A., helping them to receive a card of accreditation for leadership in our association.

We are proud to be an auxiliary to the Sandy Creek Association and we shall continue to solicit the prayers and help of you as we continue to be partnerships with GOD in helping to win the world to CHRIST.

Respectfully Submitted,
Mrs. Herbert Thomas
Associational President

REPORT TO THE ASSOCIATIONS

BAPTIST CHILDREN'S HOMES

1961

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

Your child care ministry is child centered, Christ centered and church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

Boys and girls live at Mills Home, Kennedy Home, and Odum Home. One hundred twenty five children live in Christian Foster Homes throughout the state. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Our financial support this year has come from the following sources:

Thanksgiving Offering	33 Per cent
Cooperative Program	32 Per cent
Once a Month Offerings	18 Per cent
Special Gifts and Endowment	17 Per cent

Members of the Board of Trustees, members of the staff and our boys and girls wish to thank you for your generous support. You have given these children love, food, clothing, shelter, schooling, medical care, recreation, guidance, music and hundreds of other benefits.

One third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is $400,000.00. Help this to become a reality!

You may stay informed about the child care program throughout the year by reading Charity and Children. This newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year and circulation is higher than ever before—well over 52,000. Every family in every church should receive this Christian newspaper.

Respectfully Submitted,
S. C. Glosson

36—Special music was a vocal solo, "I Am Satisfied With Jesus", by Lawrence Childs accompanied by Mrs. Teague.

37—Report of Committees.

A. Executive Committee by W. C. Harward. Adopted as read.

REPORT OF EXECUTIVE COMMITTEE

The first meeting of the Executive Committee was held at Sanford, North Carolina, January 9, 1961.

The committee voted to validate the action taken by the Moderator and Clerk in signing a petition for further funds from the State Convention for the Community Church of Siler Ciy.

Mr. Childs reported a Training and Planning Clinic for the officers who were going to Hendersonville, February 1, 2, and 3, for a Vacation Bible School Clinic.

In the Training Union Report, we were told that on "M" night, held in Pittsboro, December 5, there were 450 in attendance. Fifteen churches were represented and thirteen pastors were present.

The Rev. John C. Kidd was elected our Associational Representative on the Annuity Board.

It was decided not to hold a simultaneous revival this year.

The advisability of employing an Associational Missionary was discussed and a committee appointed to look into it.

At the April Meeting, most of the time was taken up discussing the report of the committee on an Associational Missionary. It was decided that no definite action be taken at this time.

Mr. M. E. Cunnup was named Chairman of the Program Committee in lieu of Mr. R. F. Smith, who moved out of the Association.

In the July Meeting Miss Womble reported Junior Training Union representatives went to Caswell and participated in a State wide meeting. There were several state winners in the group.

A central place of meeting for the Executive Committee was discussed and a committee was appointed to study the advisability of such a move and report at the next meeting.

In our October Meeting, after quite a lengthly discussion concerning a central meeting place for our committee, action was deferred until the next meeting of the Pastors' Conference.

Mr. Childs reported a highly successful Sunday School Training Clinic. He also reported that he had exceeded the budget appropriation by about $65. It was voted to ask the Treasurer to take care of this out of other funds. Also a $25 deficit in the Brotherhood Program to be taken care of .

The new officers are to be asked to prepare a calendar of activities in time for it to be included in the Associational minutes.

Respectfully submitted,

D. Stearns Memorial Committee Report read by C. A. Teague. Adopted as read.

REPORT OF STEARNS MEMORIAL ASSOCIATION

It has been said that history is the yardstick by which we measure the future, so two hundred and three years ago Elder Shubal Stearns began a church with sixteen members that now numbers around the globe by millions. In 2161 Southern Baptist should count in hundreds of millions, counting on the efforts of true Christians aided with God's blessings.

There was suffering, hardships and divisions. With the church having to leave its homeplace and moving down the road aways where it remained for more than seventy years. We can expect troubles in the future, maybe more so, but Christian efforts can overcome them.

Our Chairman is James R. Lane of the Randolph Association. Our Treasurer, A. D. Kirkman of Sandy Creek Church reports a shortage of funds with $219.77 spent the last two years and only $62.81 on hand with last mowing yet to do and a part of rock wall to move.

38—Under Miscellaneous Business, we heard a report of the Missions Committee given by John D. Smith. Adopted as given.

REPORT OF MISSIONS COMMITTEE

Having been under the watchcare of our association for one year, and having shown a real spirit of cooperation in compliance with its constitution and by-laws your missions committee recommends that the Community Baptist church of Siler City be received into the full fellowship, to receive the rights, privileges, and responsibilities of the Sandy Creek Association. It has been brought to our attention that there is a real missionary concern within the young Church. While in the midst of a building program they plan to give 10% of their total offerings to the cooperative program and $10.00 annually to the work of this association. Services are held each Sunday under the leadership of their pastor, Rev. J. M. James.

The Jonesboro Heights Baptist Church requests that the Tramway Baptist Mission be brought under the watchcare of this association pending full membership at its next annual session. The Mission fosters within her fellowhip all the interests of this association. She is now housed in a beautiful new building located on highway #1 south of Tramway. The new pastor is Rev. Bob Phillips of Southeastern Seminary.

40—Training Union Report was read by the Clerk in the absence of the Training Union Director. Rev. John L. Smith spoke on the report. An excellent presentation. Adopted as presented.

BAPTIST TRAINING UNION

On December 4, 1960, the annual "M" Night meeting was held in the Pittsboro Baptist Church. Our speaker for the evening was the Rev. Jack Bagwell of Raleigh. His subject was: "Be Thou Faithful", the Training Union theme for the year. Attendance at this meeting of over 500 surpassed that of any previous "M" Nights.

The spring tournaments were held at Rives Chapel Baptist Church on Sunday afternoon March 26. It was at this time because of a conflict with Vacation Bible School Clinics. There was more participation in this than formerly. Winners attended the Regional meeting at Lowes' Grove and the summer assembly at Caswell.

September meetings had to be cancelled because of conflicts with other associational study groups.

The Baptist Training Union as its name suggests, undertakes to train all church members who are willing to prepare themselves to do the Lord's work in a greater and more efficient way.

All that was accomplished this year was through the interest, prayers, and work of the faithful Christians who believe this and have a conviction that training is a MUST in the life of a GROWING CHRISTIAN. We are grateful to God for his goodness and grateful to our pastors, training union directors, and all others who have joined hands and hearts this year.

A real need in this association is a calendar of activities so that conflicts could be avoided.

The theme for 1962 is "LENGTHEN—and STRENGTHEN" and the Scripture is Isaiah 54:2. The hymn is "Lead On, O King Eternal".

May we all press toward a more progressive and profitable year for the Master's sake.

41—Sunday School Report by Rev. Lawrence Childs. Mr. U. L. Bivens presented a film strip on Sunday School Work. Report was adopted as presented.

SUNDAY SCHOOL REPORT

There are some hopeful signs in our Sunday School work of the past year. One such sign is the increased interest in training. There were 13 churches with members earning Study Course Awards from October through July. There were 930 awards earned in this period. In addition, there was the very successful Central Training School conducted by the state workers in August at the Sandy Branch Baptist Church, with an average attendance of about 150.

Another hopeful sign is the increase from 5 to 7 churches having preparation week in the Sunday School.

In Bible School work we face both good and bad signs. First, there were 7 churches which had no Vacation Bible School. However, the 28 churches that did have schools had an enrollment of 2,589 compared to the enrollment of 1,893 in 29 churches last year. One other encouraging factor was the excellent attendance at the two Vacation Bible School Clinics which were conducted by our own workers who had been trained at the state clinic at Fruitland.

Our theme for the coming year is, "Outreach for the Unreached—Spearhead for Advance." Let us launch out with renewed efforts to "Reach, Teach, Win, and Develop" people for the Master in 1961-1962.

IN MEMORIAM

"For I am persuaded that neither death, nor life, nor angels, nor principalities, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation, will be able to separate us from the love of God, in Christ Jesus our Lord."

(Romans 8:38, 39)

According to the records of our clerk, and since we last gathered for an annual meeting of the Sandy Creek Association, 80 of our family in Christ, have gone to be in the nearer presence of God (Including five deacons). We shall not read their names here, this afternoon. It is sufficient that they are remembered by their loved ones, and that we, their fellow pilgrims, acknowledge that no one of them is forgotten of God. While we were here on earth together, each of them, in his own way, made a contribution to Church Militant. Now, that their human presence can be no longer with us, it is our hope and trust that they are enrolled in the Church Triumphant. Even as they went, one by one, down the Valley, towards the setting of the sun, may we remember that the time of sunset is the most beautiful time of the day — and that there has always been a sunrise. As the poet Kipling has so put it:

"When earth's last picture is painted, and the tubes are twisted and dried,

When the oldest colors have faded, and the youngest critic has died,

We shall rest, and, faith, we shall need it—lie down for an eon or two,

Till the Master of All Good Workmen shall put us to work anew!

And only the Master shall praise us, and only the Master shall blame;

And no one shall work for money, and no one shall work for fame;

But each for the joy of working, and each, in his separate star,

Shall draw the thing as he sees it for the God of Things as They are!"

And now, in memory and in honor of our blessed dead, who shall rise again, let us bow, in a few sacred moments of silent prayer . . .

PRAYER: O Lord, support us all the day long of this troublous life, until the shadows lengthen, and the evening comes, and the busy world is hushed, and the fever of life is over, and our work is done. Then, of Thy great mercy, grant us a safe lodging and a holy rest, and peace at the last; through our Lord, Jesus Christ. Amen.

(John Henry Newman)

PROCEEDINGS OF THE 204th ANNUAL SESSION OF THE SANDY CREEK BAPTIST ASSOCIATION

PROCEEDINGS

MORNING SESSION—THURSDAY, OCTOBER 11, 1962

1—The Two Hundredth and Fourth Annual Session of The Sandy Creek Baptist Association met with the First Baptist Church of Sanford the first day. Moderator M. E. Cunnup called the association to order at 10:00 o'clock A.M. Mr. E. E. Sloan, Associational Music Director led the congregation in singing "All Hail The Power of Jesus' Name." He was accompanied at the organ by Mrs. Sophia Johnson. Devotions, taken from the 13th chapter of Corinthians, were conducted by the Reverend Earl Mozeley, Pastor of Oakley Baptist Church.

2—A very gracious welcome was extended by the Rev. W. Wilbur Hutchins, pastor of the host church.

3—The program was presented by the Rev. O. M. Burckhalter. Program adopted as presented, with minor changes.

4—The Chairman of the Registration Committee, Mr. E. E. Edmondson reported that representatives from twenty-three churches had registered at this time. He made a motion that those registered constitute the voting strength of the group. The motion carried and it was so ordered.

5—The moderator recognized new pastors in the Association. They were: Robert P. Dukes. Earl Mozeley, C. R. Smith, Leon Smith, and Louis T. Stokes. Dr. Bernice Fair of the Home Mission Board was recognized as a visitor.

6—Training Union report was given by the Rev. John Smith, pastor of Jonesboro Heights Church. Report adopted as given.

BAPTIST TRAINING UNION REPORT

The Training Union Theme this year has been a very worthy one. "Lengthen . . . and Strengthen" was selected from Isaiah 54:2 "Enlarge the place of thy tent, and let them stretch forth the curtains of thine hesitations; spare not, lengthen thy cords, and strengthen thy stakes."

This theme was used December 4, 1961 when our "M" night was observed at the East Sanford Baptist Church. The Rev. Bill Smith, our state Student Secretary was the inspirational speaker for the service.

In March of this year the Training Union Tournaments were held at the Pittsboro Baptist Church. There were contestants in each of the different catagories.

It is our hope that each of the Training Unions of the individual Churches may be strengthened through the next year. It is growing more inevitable each year that our Churches are suffering for the lack of a trained membership. It is through the efforts of our Training Unions that Leaders are developed, and enthusiasm is engendered to carry out the redemptive purposes of Christ to all mankind.

Respectfully submitted,
John D. Smith
Associational Training
Union Director

7—Report of Committee on Committees presented by the Rev. C. M. Harrington. Adopted as presented. This report may be found on page 2.

8—C. Gordon Maddry of the North Carolina Baptist Foundation was given a few minutes at this time. He explains his Foundation was set up to secure and manage funds—corporate funds left by various individuals or firms.

9—Dr. Bernice Fair of the Home Mission Board was also given a few minutes. He made quite an inspirational talk emphasizing the need of help for migrant workers. Here time out was taken for a picture of the officers for publicity purposes.

10—Moderator's address was given by the Rev. M. E. Cunnup, a copy of which follows:

MODERATOR'S ADDRESS

No other association in our state or in the Southern Baptist Convention can boast of the past as the Sandy Creek Association. Our Association is the oldest in the state and the fourth oldest in the nation. At one time our association reached from the shores of the Potomac deep into Georgia. All of the separate Baptists of North Caroina, Virginia, and South Carolina were in this association. The pulpits were filled by men, quoting from Dr. Purefoy in 1859, who "gave themselves to the work with an amount of zeal and energy, and at a sacrifice that we regret to say, is not now manifested by their successors."

Speaking of our predecessors in the Sandy Creek Association Benedict in his *History of the Baptists* says,

> "At their associations their chief employment was preaching, exhortation, singing, and conversation about their various exertions in the Redeemer's service, the success which had attended them, and the new and prosperous scenes which were opening before them. These things so inflamed the hearts of the ministers, that they would leave the association with a zeal and courage which no common obstacle could impede."
>
> (Benedict's History of the Baptist, pg. 685)

This Association has in the past provided some of our greatest leaders in Southern Baptist life. Among them are Dr. William Brantley,

Dr. Basil Manly, Dr. Robert T. Daniel, and Dr. George Purefoy.

Many more things could be said relative to the greatness of our association.

Yes, our is a great association, but is it not true that most of our deeds worthy of recognition lie in the distant past? Do we today actually have the right to acclaim the greatness, the marvelous deeds, of the past unless we now are making every effort to be worthy of this acclaim, unless we pursue our goals with the same determination and enthusiasm as our predecessors?

I ask the question today—Is our association fulfilling the purposes or objects of its existence?

The objects of our association are stated in a concise statement in our constitution:

> "The objects of our association shall be to devise and promote measures for increasing the harmony, intelligence, and spiritual power of the churches, and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth more especially along the lines recommended and adopted by the Southern Baptist Convention, the State Baptist Convention, and the Association itself."

Are we at this time devising and promoting measures for increasing the harmony, intelligence and spiritual power of the churches? Are we doing anything toward directing, promoting and developing the energies of the Churches?

Some of us are satisfied with the work of the Association as it now stands. But, many are dissatisfied, feeling that the Association could do far more in helping the churches than it is now doing. Just how widespread this feeling is I would not assume to know, but many have voiced their feeling in this to me.

The Program Committee in notifying me that I would have this time on the program said they felt I may like to have the time to present to the Association some views I might have as to the improvement of the work of the Association. In the last pastor's conference held the same thing was suggested.

In attempting this I would first like to mention some ways in which the Association can be of greater help in promoting the energies of the churches:

1. I believe that associational meetings of the Sunday school, Training Union, Brotherhood and Woman's Missionary Union could do much in increasing the efficiency of these organizations in our churches, and in bringing about a greater spirit of harmony. However, for this to be true these meetings would have to be well planned with clear and worthy objectives in view.
2. I believe that the association could help the churches more by having more schools and clinics for training in various areas of Church work. Many of our churches do not have the means of going outside to secure more competent leaders for such schools and clinics. The Association could do this. These schools and clinics could be held in sections of our association.
3. I believe that the officers and workers of the Association could render greater assistance to the churches than that now being rendered. This is not to criticize our past and present officers and workers. The fact is that the churches do not avail themselves of this assistance that could be had.

Now, some churches may feel that they do not have any particular need in which the Association could help. They are large enough, and strong enough to supply their own needs. This is fine. I would not argue this point at all, but I think one purpose of the Association is

that it may afford the means for the large to help the small, the strong to strengthen the weak.

In the past few years much has been said in our executive committee meetings about the need of some coordinating point in our association. At the present those of us holding places of responsibility in the Association know that we do not have the coordination so vitally needed for the success of our work. Numerous times it has been suggested that we needed a promotional secretary, or associational missionary. Many do feel that this would solve our problem in the area of coordination and planning. However, it has been pointed out that to maintain such an office would cost the Association between eight and ten thousand dollars and that the Association at the present could not assume this.

Therefore, I would like to make the following recommendation to the Association for your consideration:

That the Association create an Associational Council composed of the Moderator, Vice Moderator, Clerk-Treasurer, Music Director, Chairman of the Executive Committee, President of the Pastor's Conference, Associational Sunday School Superintendent, Associational Training Union Director, Associational Brotherhood President, and President of Woman's Missionary Union.

The objects of this council would be to study ways and means of better promoting the objects of the association, to plan together the work of the organizations of the Association, to coordinate the work of the association, to promote and publicize the work of the association, and to devise a calendar of activities.

This council would have no power or authority of its own, other than that invested by the Association.

11—Report on Christian Literature was called. In the absence of Mr. Tatum there was no report; but, Rev. Marsh Grant, Editor of the Biblical Recorder, gave an inspirational report on this subject.

12—Sunday School report was given by the Rev. Joseph Reese, Adopted as given.

SUNDAY SCHOOL REPORT

There are some hopeful signs in our Sunday School Work this year. One thing is the number of churches having January Bible Study Week. It is an increase over last year, with 14 churches having the study. We hope the number of awards will be even greater than the 930 last year. In addition, there has been plans made for a Central Training School, some time in the near future which we hope all officers and teachers will attend.

We have seven churches having preparation week in the Sunday School.

In Vacation Bible School work we have both good and bad signs. First we have 6 churches which had no V.B.S. However, the 29 churches and 2 missions that did have schools had an enrollment of 2,690 compared to the enrollment of 2,589 last year.

Our Sunday School enrollment is 7,694 and the average attendance is 4,737. There were 11 churches having Youth Week.

We hope everyone will do their best to make the coming year a much better year in 1962 and 63, in our Sunday School work.

Respectfully submitted,
Joseph J. Reese
Vacation Bible School Principal

13—Miscellaneous business and announcements were called. Only routine announcements were made.

14—Special Music: Mr. Wesley Stoltz of the Sanford choir rendered beautifully, "The Stranger of Gallilee accompanied by Mrs. Sophia Johnson. E. E. Sloan, Music Director, led the congregation in singing, "I Am Thine, O Lord."

15—The Annual Sermon was preached by the Rev. Gilbert M. Mister, pastor of Pittsboro Church. He preached from the 6th chapter of Ephesians, Verses 10-20. Prayer of dismissal was led by Rev. George M. Graham.

AFTERNOON SESSION, THURSDAY, OCTOBER 11, 1962

16—This session was opened with the song "Tis So Sweet To Trust In Jesus", led by E. E. Sloan. Devotions were conducted by the Rev. Robert P. Dukes, Pastor and Minister of Music of Flat Springs Church.

17—Christian Education Report was given by the Rev. George Bobo, Pastor of Gum Springs Church. Adopted as given. Dr. L. H. Hollingsworth, Chaplain at Wake Forest College, spoke on the report.

REPORT OF NORTH CAROLINA COLLEGES TO THE ASSOCIATIONS 1962

North Carolina Baptist colleges closed another record-breaking academic year (1961-62). They wish to express gratitude to God and to the Baptists of North Carolina for divine providence and Christian concern in their behalf. The colleges are happy to report their stewardship to the associations. All seven opened in the fall of 1962 with their largest enrollments: Campbell—1,703; Chowan—770; Gardner-Webb—607; Mars Hill—1,141; Meredith—880; Wingate—1,010; Wake Forest—2,881; making a total of 9,052 (including extension).

Of this number, approximately 2/3 were members of the Baptist church. About one out of eight was preparing either for the ministry or some church-related vocation. They constitute our denominational leadership for tomorrow. In addition to these, hundreds of laymen and laywomen are being prepared for their chosen vocation, giving their Christian witness in every walk of life.

Campbell College completed the *James A. Campbell Memorial Administration Building, Bryan Dormitory for Girls, and a science building.*

Chowan College began a capital fund drive for $900,000 to construct a *library and classroom-administration building.*

Gardner-Webb has completed a new *science building.*

Mars Hill dedicated its new *auditorium and fine arts building.*

Meredith has added a new *dormitory and infirmary.*

Wake Forest has moved into its new *life science building and dormitory for girls.* The *humanities classroom building* is under construction.

Wingate has completed the *Budd E. Smith Science Building,* boys' dormitory, and is completing the *business administration building.*

Total plant assets of these colleges are in excess of *$45,000,000.* For the past 10 years Baptists have provided about *$500,000* each year to help with these capital outlay needs. To keep these campuses up to date and competitive, several thousands of dollars must be spent each year.

The total operating budget of the seven colleges during the year was about $12,000,000. Of this amount, the Cooperative Program paid about about *$12,000,000.* Of this amount, the Cooperative Program paid about

5%. Nearly one-half of operating costs are paid by students and other sources such as endowment, net earnings from auxiliary enterprises such as dormitories, dining room, student center, etc. In the light of spiraling costs and expanded student bodies, these colleges face very crucial financial needs in the future.

The past year has also seen a strengthening of faculties. In every case the colleges have sought to raise faculty salaries to attract the finest and best qualified teachers. Additional faculty members have been added to meet the demand of growing student bodies. Faculty salaries are still entirely too low in all of the colleges.

In response to Convention action, Campbell College is adding the senior year this fall and Mars Hill the junior year. By 1964 both of these colleges will be full four-year senior colleges. Wake Forest has made a modest beginning in offering graduate degrees in some fields of study.

The Convention is in its first year of the Christian Education Advance Program. Under this program each church is asked to increase its gifts through the Cooperative Program 35% for 1962, '63 and '64. Thirty per cent of this amount is to go to the colleges and construction of student centers on non-Baptist campuses. Some *400* to *500* churches have made this increase in 1962. The Cooperative Program is somewhat higher at this time than last year, and for this we are grateful. However, in order to meet our goals, it will be necessary for more churches to increase their Cooperative Program giving by 35%.

The colleges are deliberately and continually seeking to illuminate the total educational process with the atmosphere of the Christian faith. In addition to Christ-oriented teaching, opportunities are provided daily and weekly for worship. On each campus is a qualified director of religious activities whose responsibility is to counsel with students and faculty, as well as to correlate and promote a program of voluntary religious activities designed for spiritual growth.

The future of Christian education in America is at stake today. With increased state and federal interest in and aid to higher education, more and more students will attend state institutions. Our taxes will grow correspondingly higher. These state colleges by their very nature cannot perform the task of Christian education. A Christ-oriented education must always be provided by the church. Baptists would be the last group to ask the state to teach religion for them. In a great republic like ours education needs the support of many groups including the church. A state-controlled monolithic system of education is foreign to our pluralistic society.

Into this expanding sea of secular education Baptists must choose to give witness to our faith. Let us not oppose other forces operating in the field of higher education, but rather undergird and strengthen our own institutions that they may do their work and do it well.

Please support your colleges by:

(1) Acquainting yourself with your colleges. Visit them, read about them, invite the students and faculty into your church to conduct services.

(2) Encouraging your finest students to attend. Be sure that they apply early.

(3) Praying for the schools—the presidents, administration, faculty, trustees, and students.

(4) Increasing your Cooperative Program giving 35% this year.

(5) Observing the Christian Erucation Day, Father's Day—in June.

18—Report on Baptist Hospital was called. Mr. Griffith was absent. The report was presented by Mr. U. L. Bivens. Then the Moderator introduced Chaplain Ben Patrick of The Baptist Hospital of Winston-Salem, who spoke on the report. The report was adopted.

REPORT ON BAPTIST HOSPITAL

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department reecived a new high of 83,000 visits from 96 counties of the state, sixteen other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facitilies of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastors Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examinations it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. *We must remember that the help given is limited by the Mother's Day gifts of our churches.*

The Hospital has prepared a full and attractive Information File Folder covering all of these matters in our relations with the Hospital. A copy is being mailed to all our pastors and associational missionaries. We urge you to acquaint yourself with this, keep it in your file and refer to it when questions arise and when arrangements are being made for patients to go to the Hospital.

The total Mother's Day Offerings for the year 1962 amounted to $3377.09. The following number of Churches did not contribute: 3

REPORT OF HOSPITALITY COMMITTEE

It is my privilege today, on behalf of all of us to say "Thank You" to the pastor and each member of Sanford First Baptist Church, for having made us of the Sandy Creek Association feel so welcome, so comfortable and so well fed. A good host always watches the expressions on the faces of the guests to be sure that everyone is having a pleasant time and that their needs are met. All you need do today to be sure that everyone has had a wonderful time in fellowship, inspiration and enjoyment of excellent food and beautiful flowers, is to look around at the happy, contented expressions on the faces of all who are here today. So, I say, on behalf of all of us, "Thank You!".

THE CHRISTIAN LIFE COMMISSION

During the past year there has been a rising tide of interest among Southern Baptists in the emphasis which the Christian Life Commission makes in the whole field of applied Christianity. From the Commission's viewpoint there are substantial reasons for encouragement.

In May, 1961, the Southern Baptist Convention adopted the program structure outlining the Christian Life Commission's distinctive role in helping Southern Baptists to propogate the gospel. Specifically the Commission was assigned the responsibility of helping Southern Baptists to become more aware of the ethical implications of the gospel with regard to such aspects of daily living as family life, human relations, moral issues, economic life and daily work, and citizenship. It was also instructed to help develop the kind of moral and social climate in which our Southern Baptist witness for Christ will be most effective. During the past year the Commission sought to discharge this duty through studying, conferring, planning, preaching, speaking, and writing.

The coming of Ross Coggins as associate put the Commission in a much stronger position to project a significant emphasis on applied Christianity, particularly through writing but also through preaching, conferences, and extended co-ordination of the Commission's work with that of other Baptist agencies and bodies.

Specialized leadership conferences were conducted in August, 1961, at Glorieta and Ridgecrest on "Christian Answers to Family Problems." Attendance and interest were excellent at both places. The messages were reproduced by the Commission and made available to Southern Baptist leadership. These messages constitute an important contribution to the literature in this field, and plans have been made for extended use of them.

Articles on many aspects of Christian social ethics were prepared for Southern Baptist audiences during the year by the Commission staff or at the Commission's request.

The Commission now has twenty-seven pamphlets in print in the field of Christian social ethics. Last year it distributed, on request, about 150,000 of these.

Special effort was made during the year to help Southern Baptists in the area of communism and anti-communism. At the Commission's suggestion the *Baptist Program* carried an important article on communism by Dr. Paul Geren. Four articles on the subject were prepared at the request of the Commission, distributed by Baptist Press, and carried in serial form by most of the state Baptist papers. Two pamphlets on communism were presented by the Commission and made available to Southern Baptists. Four lessons were prepared for study in Training Union in November, 1962. Conferences with Sunday School Board personnel resulted in the preparation of a study course book on communism released in June, 1962, and approval for the production of four films on the subpect. An article entitled "Quiet Thoughts About Anti-Communism" was prepared and was widely used in the Baptist press. In addition, the Christian Life Commission planned its summer conferences for 1962 to deal with the subject, "Christians Confronting Communism."

An observer and an alternate observer at the United Nations sought during the year to maintain some knowledge of developments regarding peace and world order. This has been communicated to Southern Baptists largely through releases to the state Baptist papers. A Baptist seminar on the United Nations and Foreign Policy was jointly sponsored in New York in November by American Baptists, National Baptists, and Southern Baptists working through the Christian Life Commission. About a third of the registrants for this highly significant meeting were Southern Baptists and these have been able to interpret issues before the United Nations and in the field of international affairs to numerous and varied audiences across Southern Baptist Convention territory.

It is clear that Southern Baptists are becoming increasingly sensitive to the need for matching Christian belief with Christian behavior in every area and relationship of life. The Christian Life Commission seeks to encourage this growing awareness in the conviction that faith without works is dead. It hoped that the Commission's emphasis on applied Christianity may more and more become an integral part of the Southern Baptist witness for Christ at home and around the world.

Respectfully submitted,
Alva S. Ellis

24—Hymn, "Foot Steps of Jesus". Report of American Bible Society given by the Rev. Claude Simpson. Adopted as given.

AMERICAN BIBLE SOCIETY

"Sharing Christ with the Whole World" is the aim and theme of the Baptist Jubilee Advance. Sharing the Bible with the whole world is an essential part of this program of advance.

If the *people of the world* are to know Jesus Christ the one hope of men and nations, they *must have the Bible.*

Each person must have the Bible in his own language because it speaks of his heart as no other language can speak.

But, in most countries, people *cannot afford even the cost of printing* the Scriptures.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can go where the human missionary cannot go. It can stay on after he must leave—and keep on speaking to a person's heart.

The American Bible Society is an active partner of Southern Baptists. It serves mission work at home and abroad. It helps missionaries to translate the Bible, publishes without note or comment and distributes without profit, usually below cost. For the Blind, it supplies Scriptures in Braille and other raised-letter systems and on Talking Book records. *During 1961* the American Bible Society—

—rejoiced that some part of the Bible has been published in 1181 languages; the full Bible in 226, a Testament in 281 more and a Gospel or other complete book in 674 more.

—distributed a record total of over 24 million Scripture volumes in over 100 countries on 6 continents. Of these, more than 11 million volumes went overseas. Distribution abroad showed, for the second consecutive year, an increase of 20 per cent over the year before.

—realized anew, from sharp increases in Scripture distribution in Cuba and Congo, that the demand for the Bible often rises dramatically in areas of political tension and revolution.

—continued to enlarge the worldwide ministry of the Finger-Fono, a special phonograph for Bible records, operated by one finger, for use in areas where many people can not read.

—gave almost a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.

—expanded its distribution of Scriptures to persons of special needs: Cuban refugees and others from overseas; hurricane and flood victims; patients in hospitals and nursing homes; inmates of jails, reformatories and prisons; migrant farm workers—and many others.

Southern Baptists Support the Work

Because the Bible Society serves mission work—and Southern Baptist missionaries depend on the Society for Scriptures they need for their people—Southern Baptist churches believe in the missionary importance of giving to the American Bible Society.

In 1961 Southern Baptist churches gave $164,342 to the American Bible Society. Methodist gifts were $163,593. Gifts from all churches in the U.S.A. totaled $1,065,649.

Southern Baptists *can continue to lead—if every church will give.* Has your church given this year? Here are suggestions, based on what many churches are now doing:

Every church can give *at least* these amounts *each year*:

Great city churches	$300 to $600 or more
Larger churches	$60 to $300
Smaller churches	$10 to $60

Please send gifts to your Baptist state office marked "for the American Bible Society."

Claude Simpson

25—Brotherhood Report, prepared by Baxter Prevatte, Jr. and read by the Rev. Alva Ellis. Adopted as read.

BROTHERHOOD REPORT

This has been a good year for our Brotherhood in our Association. There have been many encouraging reports from various Churches.

Many new activities have been incorporated into our Brotherhood Organization.

Some Churches have begun new Brotherhood work just this year, and we encourage you to keep up the good work.

However there are still some of our strongest Churches that do not have Brotherhoods.

There are so many things that a Brotherhood can do for your Church. They can sponsor and support visitation in your community.

Organize a men's Brotherhood Chorus. Sponsor numerous other Church projects and encourage other social activity.

We would encourage the Pastors of Churches that do not yet have a Brotherhood in your Church to pray and ask God's guidance concerning a Brotherhood.

It will render a wonderful service to your people and your Church. Most of all it will win lost men to know Jesus Christ. If your Associational Brotherhood President can assist you in any way please feel free to call upon him.

26—Royal Ambassador Report by U. L. Bivens, Minister of Education, Siler City Church, was adopted as given.

REPORT OF ROYAL AMBASSADOR WORK

In October, 1961, a new Royal Ambassador program was inaugurated by the Brotherhood Commission of the Southern Baptist Convention. That program is designed to provide a missionary educational organization which can meet the needs of boys 9-17 years of age. Its aim is to "help boys grow into manhood, dedicated to the service of Christ through world missions."

The Royal Ambassador pledge states, "As a Royal Ambassador I will do my best: to become a well informed, responsible follower of Christ; to have a Christ-like concern for all people; to learn how the message of Christ is carried around the world; to work with others in sharing Christ; and to keep myself clean and healthy in mind and body."

Royal Ambassador history reveals the fact that in 1833 there was a missionary organization of boys between 12 and 14 years of age who studied about missions under supervision of their pastor and who gave offerings to support mission work in China. The Order of Royal Ambassadors was organized in May of 1908 by the W. M. U. The first chapter was organized in Goldsboro, North Carolina, and was named Carey Newton. In 1957 the Royal Ambassador work was transferred from the sponsorship of the W. M. U. to the Brotherhood Commission. The 1961 records show that there are now 14,616 churches in the Southern Baptist Convention with chapters and that there are 235,605 boys enrolled.

North Carolina has 1,484 churches with Royal Ambassador chapters that have 24,618 boys enrolled. Sandy Creek Baptist Association has eleven churches with Royal Ambassador chapters that have 164 enrolled (1961 Associational Minutes).

The potential for Royal Ambassadors in the association is great. The work is lagging behind because a great majority of our churches do not have Brotherhoods to sponsor and support Royal Ambassadors. However, individual churches may start a chapter or chapters without a Brotherhood, if qualified leaders can be committed as counselors and

The Brotherhood Department of the Baptist State Convention of North Carolina, of which B. W. Jackson is R. A. Secretary, will be happy to send information, filmstrips, literature, and even a staff member in some cases to help those wanting to organize an R. A. Chapter. The Baptist Book Store has R. A. supplies and equipment, Guides for Counselors, manuals for ranking and other helpful materials. The churches which already have R. A. Chapters are also willing to help other churches start new organizations.

Our churches need responsible, dedicated Christians who have a concern for others. We need Christians who are well informed and willing to serve. It is the desire of the Royal Ambassador organization to help the boys of our individual churches to develop into adults who can meet such qualifications. It is hoped that the Royal Ambassador work in our associational churches will advance beyond all expectations in the years to come.

27—W. M. U. Report was given by Mrs. Paul Cromer, W. M. U. Associational Superintendent. Adopted as given.

SANDY CREEK
ASSOCIATIONAL W.M.U. REPORT
October 11th, 1962

"That Thy way may be known upon earth, Thy saving health among all nations." Psalm 67:2.

The women of Woman's Missionary Union worked hard last year to help carry out the Watchword of W.M.U. The greatest purpose of our W.M.U. is to tell the story of Christ to those who do not know.

Beginning at home, and reaching around the world, we do this by Witnessing—Enlisting—Teaching—Training—Praying—and Sharing.

Our records show we have an increase in many areas of W.M.U. work this year, in offerings, enlistment, mission study and prayer. Let's look at some of the highlights for the year.

In the beginning of the year State workers from our W M.U. Office in Raleigh, N. C. held a work-shop in First Church at Sanford, N. C. to train anyone in leadership for local church W.M.U. work.

The first of November the Associational Officers led a Leadership Training Study at First Church Sanford, N. C. the first night, and at Love's Creek Church the second night. This was for Presidents, Circle Chairmen, and other Chairmen. Both meetings well attended.

There was a wonderful spirit at the Annual W.M.U. meeting held at Mt. Olive Church March 21st with more than 275 attending. Mrs. Marvin L. Garrett, Missionary to Southern Rhodesia, Africa, and Miss Kathryn Bullard, State W.M.S. Director, were our speakers. Mrs. Thomas and I received letters from Miss Bullard after the meeting saying it was second to none in Associational Meetings she had attended in North Carolina. We are grateful to everyone who made this possible.

A Leadership course was held at Sandy Branch Church on the 5th and 6th of October. Miss Bullard taught the 7½ hour class with around 30 members receiving the Card of Accreditation giving them leadership quality.

In September Associational Leaders attended a Study at Campbell College.

Plans are underway to celebrate the 75th Anniversary of W.M.S. and the 50th anniversary of the Girl's Auxiliary. Mrs. Hutchins, Associational Girl's Auxiliary Director, and Mrs. Thomas, Associational President, attended a Work-shop in Charlotte, N. C. which was taught by Southern Baptist Leaders on how to celebrate these G.A. and W.M.S. Anniversaries.

We are so grateful for the Youth Organizations in our Association. Many Sunbeams are being trained for our World Mission Program. G.A.'s are studying, passing Forward Steps, Queens being crowned, Y.W.A.'s having White Bible Ceremonies and serving the Lord in their communities. This is your church at work in the cause of Missions, sending the love of God unto all the world.

Jesus said, "Go ye therefore, and teach all nations baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; Teaching them to observe all things whatsoever I have commanded you; and, lo, I am with you alway, even unto the end of the world."

Women and Young People are proud to be Auxiliary to the Sandy Creek Association. Let's all pray God will make us stronger and use us to show Christ to others.

Respectfully submitted,
Mrs. Paul Cromer
WMU Associational President

SECOND DAY

PROCEEDINGS

MORNING SESSION—FRIDAY, OCTOBER 12, 1962

Emmaus Baptist Church

29—The second day session was opened by singing "Come Thou Almighty King" led by Mr. Emory Matthews, with Mr. Sloan at the piano.

30—Devotions were led by the Rev. Curtis Harrington of the East Sanford Baptist Church. Welcome was very graciously extended by the Rev. William J. Jones, pastor of the host church.

31—Children's Home Report was called. In the absence of S. C. Glosson, the report was read by the clerk. The Rev. Roger Williams of the Children's Home spoke on the report. Report adopted as given.

REPORT TO THE ASSOCIATIONS
BAPTIST CHILDREN'S HOMES
1962

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children

will become the adults who shape tomorrow's world. *NO* task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

Each child who comes to the Children's Homes is different, with a different need to be met and a different problem to be solved. It is the responsibility of the Homes to find the best solution possible. For many years that meant providing food, clothing and shelter for orphans. Today the need has changed. Today our work is with children who for various reasons have lost the security of home and parents.

During the past year, 848 boys and girls were served by the Baptist Children's Homes. In addition to those already in care, applications were received for the admission of 646 other children. We had space and money sufficient to admit 170 of these—leaving 476 for whom no room was available. Provision should be made immediately to expand greatly our foster home program to meet the needs of these children. This can be done through an increased Thanksgiving Offering.

Increasingly, your Homes are being called upon to serve children who are disturbed and emotionally ill. In addition to traditional types of child care, there is a growing need for specialized supervision and services. It is hoped that a step can be taken, within the year, to begin to provide, on a small scale, such services at the North Carolina Medical Center at Chapel Hill.

Financial support this year has come from the following sources:

Cooperative Program	33 Per cent
Thanksgiving Offering	30 Per cent
Once-a-Month Offering	16 Per cent
All Other	21 Per cent

For the first time, income to the Children's Home through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one third of our operating budget and is greatly appreciated. At the same time, the Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible—especially our Baptist people. You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

Charity and Children, our official publication, which this year celebrated its 75th anniversary of service to North Carolina Baptists, continues to grow in popularity and circulation. Each week 55 000 copies are sent to churches and individual subscribers throughout the state and beyond. You are invited to be among these readers and thus stay informed of our child care ministry and other denominational endeavors throughout the year.

Respectfully,
S. C. Glosson

32—Reports of Committees.

A. Executive Committee Report given by U. L. Bivens. Adopted as Given.

REPORT OF THE EXECUTIVE COMMITTEE

The first meeting of the year was held at Pittsboro, Monday, January 8, 1962. The meeting place of the Executive Committee was settled by referring to the constitution which stated that "it shall meet—at the time and place of the associational Pastor's Conference."

M. E. Cunnup was elected moderator of the Executive Committee and Claude Simpson was elected secretary.

Following the report on Evangelism, there was a decision to wait until the spring of 1963 to attemp a simultaneous revival.

An Evangelistic Clinic to be held March 9, 1962, at the First Baptist Church in Sanford was approved.

A committee was appointed to study and make a recommendation as to the need for an associational missionary.

The April meeting was held at Pittsboro. Claude Simpson resigned as secretary. Ullin Bivens we elected to fill the position.

John D. Smith reported on an Associational Training Union Tournament where winners in junior memory work, intermediate sword drills, young people's speaking, and adult Scripture reading were chosen. The winners were to represent the association at the regional meeting to be held April 10, 1962.

The committee on ordination reported giving its approval to the ordination of Buel Cresson to the pastorate.

It was agreed that it was desirable to have the associational minutes printed as early as possible, even though there might be mistakes, rather than to delay printing until they were eliminated.

Approval was given to the suggestion that someone other than the host pastor serve as chairman of the registration committee at the annual associational meeting.

A recommendation was approved to invite Mr. Guy S. Cain to speak at the annual meeting of the association on the subject of Relief and Annuity.

A letter of appreciation and a $10 check for expenses were approved to be sent to Hubert Mumford for speaking at the associational Brotherhood Meeting held in August, 1961.

The July meeting was held at Siler City.

A recommendation of the Evangelism Committee for a simultaneous revival to be held March 17-31, 1963, was approved. Claude Simpson was elected Campaign Publicity Director, Joseph Reece, Fellowship Chairman, and two campaign breakfasts were approved to be held during the revivals; one in the Sanford area and one in the Siler City area.

Approval was given for an Evangelism Clinic to be held March 4, 1963.

An Associational Officers Clinic, to be held after the election of new associational officers, in co-operation with state convention workers was approved.

The October Meeting was held at Sanford.

Prompt availability of annual church reports and a need for more time between the end of the Associational year and the associational annual meeting was referred to the Time, Place, and Preacher Committee for study.

It was decided that the reading of the names of the deceased during the memorial report at the annual meeting should be left to the discretion of the one giving the report and the Program Committee.

A motion was made and carried to have the Evangelism Clinic of the Association March 4, 1963, at the Jonesboro Heights Baptist Church.

Claude Simpson requested that Brookdale Baptist Mission be accepted for approval and be placed under the watchcare of the association for one year, and that the Missions Committee investigate the mission and report to the Executive Committee at the next meeting. A motion was made and seconded to approve the request.

After discussion, the original motion and second were withdrawn and a substitute motion to refer the matter of the Brookdale Mission to the Associational Missions Committee to make a complete study for endorsement and to bring a recommendation at the earliest possible date was

made and carried.

33—Miscellaneous Business And Announcements.

There was a lively discussion about setting up an Associational Council. After quite a bit of pro and con discussion, it was decided this was covered in the moderator's addres, and that this recommendation should be followed. This may be found in the moderator's address. See Report N. 10.

A motion was made and passed that all committees dealing with subjects to be passed on by the Association such as Nominating, Budget, etc., be referred to this new Council.

34—At this time the entire congregation stood and sang the old hymn, "At The Cross". This was led by Mr. Matthews with Mr. Sloan at the piano.

35—Music Report was given by Mr. E. E. Sloan. This was followed by special music consisting of a solo, "Prayer", arranged by Pearl G. Curran, very beautifully rendered by Mrs. Paul Tew of the Siler City Church accompanied by Mr. Sloan. Report adopted as given.

SANDY CREEK ASSOCIATION MUSIC REPORT
October 12, 1962

It is encouraging to note that music in worship seems to be assuming a place of more and more importance in the minds of our people. This

is made evident by the inquiries which come to me from time to time as your Associational Music Director and by the attendance of many of our people at the Music Camps sponsored by our State Department of Music. Also many of our churches are purchasing new instruments and hymnals and organizing new choir work, all of which speaks for itself.

Two of our churches, Rocky River and Mt. Olive, each held a five night school of music this past summer, with a total of 39 awards being given for a study course completed.

First Church, Sanford, and Pittsboro have recently called part-time Ministers of Music. At Sanford, Mrs. Henry Womack, and at Pittsboro, Mr. Doss Phillips.

Respectfully submitted,
E. E. Sloan
Associational Music Director

36—Evangelistic Report was given by Mr. E. E. Edmondson, Minister of Education of the First Baptist Church of Sanford. Report adopted as presented. In the absence of Dr. Julian Hopkins, Mr. Gerald Prim of Greensboro spoke very ably on this report. Prayer of dismissal for lunch.

EVANGELISM REPORT—1962

1959 marked the beginning of the great North American Baptist Jubilee Advance in which seven Baptist bodies in the United States and Canada are cooperating. Evangelism is the key word of the entire Baptist Jubilee Advance program. We have only two years to achieve the goals adopted, and to carry this program through to completion. The emphasis for the next two years are:

1963—Evangelism through world missions
1964—Third Jubilee Celebration

The Historic Sandy Creek Association can do its part, but it will require the cooperation of every church . . .

During the past year most of our churches had at least one revival. In addition, the churches in the Siler City area were engaged in a city-wide effort under the leadership of Evangelist Don Austin. The churches of the Sanford area cooperated in a city-wide Crusade which was sponsored by the Lee County Ministerial Association. Dr. T. W. Wilson of the Billy Graham Evangelistic Association was the preacher. A clinic on evangelism was conducted at the First Baptist Church Sanford, N. C. on March 9, 1962 by Dr. Julian Hopkins and Mr. Gary Harthcock of the Department of Evangelism, North Carolina Baptist Convention.

Your committee would like to recommend the following for this associational year:

1. A strong emphasis upon prayer—using all stated prayer services and special services prior to and during revivals and visitation campaigns.
2. Soul-winning commitment Sunday, seeking to enlist every member of every church.
3. Attend State Conference on Evangelism February 11-13, 1963 at Greensboro, N. C.
4. A clinic on Evangelism, March 4, 1963, Jonesboro Heights Baptist Church.
5. Every church participating in the Associational, Simultaneous Revival, March 17-31, 1963.
6. Two revivals a year where possible.
7. Plan for activating church membership—resident and non-resident.
8. Urge, emphasize, and plan for soul winning during Vacation Bible Schools.

9. Urge all officers and teachers of the churches to give emphasis to soul winning in all their programs . . .

Respectfully submitted,
Eugene E. Edmondson

AFTERNOON SESSION—FRIDAY, OCTOBER 12, 1962

37—The afternoon session was called to order by the moderator, after which Mr. Matthews led the congregation in "Blessed Assurance" accompanied by Mr. Sloan at the piano. Devotions were by the Rev. Louis Stokes, pastor of Rives Chapel Church.

38—Home for Aging Report—In the absence of Mr. Hancock, report prepared by Dr. William A. Poole, General Superintendent of Home For The Aging, was adopted.

REPORT ON
NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in our N. C. Baptist Homes for the Aging has been one of great blessing. Of unusual significance has been the opening of our fourth Home, the Hamilton Home, located in Eastern North Carolina, and enabling us to minister to 30 additional people. The residents there are supremely happy and are enjoying the abundant life in this beautiful new facility.

Over the past eleven years we have increased by 8 times our ability to minister to the aging in our midst. In the beginning, there were 20 residents, and now we are able to give loving care to 160 persons in our four Homes—Resthaven, and the Hayes Home, in Winston-Salem, the Albemarle Home, at Albemarle, the Hamilton Home, at Hamilton.

The need for more space is most urgent and pressing. Today there are 138 applicants on the waiting list. We will want to move forward, therefore, as rapidly as funds will permit in meeting the crying demands of our ever-growing population of aging people who need our care.

The Special Day Offerings from our churches are at an all-time high and are likely to go beyond all previous offerings by the end of the fiscal year. We want to thank all who have had a part in these vital offerings, and we would urgently appeal to each church to continue giving as liberally as possible through this vital medium. Ninety per cent of the residents who live in our four Homes are financially needy people and are sustained by the Special Day Offerings from our churches each year.

The plea of the elderly person in our midst, "Cast me not off in the time of old age!", is one that cannot be lightly brushed aside, but one that must continue to challenge the highest and holiest in every North Carolina Baptist as we move forward in this great ministry which God has committed to us.

Respectfully submitted,
William A. Poole
General Superintendent

Dr. T. L. Sasser, Assistant in Public Relations For the Homes, spoke on the report.

Annuity Report omitted because of the absence of the Rev. Guy S. Cain who was to make the report.

39—Report of Missions Committee. This report was in two parts: First—Tramway Mission, after being under watchcare of the Association for a year, this mission was taken in as a full-fledged church.

TRAMWAY BAPTIST CHURCH

Inspired by the Baptist Jubilee Advance, covering the North American Continent over a 5-year period 1959-64 during which time Southern Baptists set as their goal 30,000 new churches or preaching stations, the Jonesboro Baptist Church considered with intense interest the rapidly growing Tramway community. On the expressed interest of the people of the area and on recommendation of the Board of Deacons and the Missions and Evangelism Committee, the area was mapped and a census undertaken. The statistical results of the canvass and the desires of a substantial number of residents prompted the Jonesboro Church to authorize its Missions and Evangelism Committee to secure a place of meeting and to organize the mission.

In the May 20, 1959 conference the secretary of the Board of Deacons brought a motion from the board that the monetary gift to the church from the estate of Elva Bryan McIver be used for the initial expense of the Mission, and that the mission be called Elva Bryan Mission until such time as the members should desire to rename officially. A 4-room dwelling was rented by the committee and the service to organize the mission was held on June 7, 1959. June 15, 1959 the mission met for the first time for Sunday School and the worship services, with members of the Jonesboro Church staffing the organizations. Meanwhile the Baptist State Convention offered financial aid toward the purchase of a lot and the support of a pastor. February 1960 Rev. Larry Williams, a student at Southeastern Seminary was called as pastor. Under his leadership a full church program was attained. Late in 1960 a lot on which to erect a building was purchased from the Elva Bryan McIver estate. Groundbreaking service were held May 7, 1961 and the erection of an all-brick first unit building was begun. At the annual session of the Sandy Creek Association in October 1961 the mission was brought under the watchcare of the association.

October 8, 1961 the mission occupied the new building and the name changed to Tramway Baptist Mission. Rev. Bob Phillips was called as pastor to fill the vacancy created by the resignation of Rev. Larry Williams who was continuing his education.

Sunday, October 7, 1962 a service of constitution was held at which time Rev. Bob Phillips was called as pastor. Recognition was given to 65 charter members of the church, together with enrollment of Sunday School 119; Training Union 33; Choir 32; W.M.U. 45; R.A. 12.

39—Report of Missions Committee Continued.

Second—Brookdale Mission of Siler City. This Mission was brought under the watchcare of the Association.

The delegates of Tramway were recognized as well as the members from Brookdale.

REPORT OF BROOKDALE MISSION

Brookdale Baptist Mission, Siler City, North Carolina, sponsored by Rocky River Baptist Church, was begun on July 1, 1962.

Vacation Bible School—July, Enrollment—68; Average Attendance—63; Mission Offering to Cooperative Program—$13.66.

Sunday School—August-September; Average Attendance—25; Aver-

age Sunday Offering—$13.35.

Revival—September 30-October 7, concluded by Dr. C. C. Warren.

Offering to State Missions, September, $10.00.

Ideal location, two blocks west of Chatham Hospital on Highway 64-A.

There are more than 100 families in this area unchurched. Dr. E. L. Spivey, Secretary of State Missions, in his study of this situation, said, "This situation is over-ripe. There should have been another Baptist Church in Siler City twenty-five years ago."

Ernest Upchurch and Jack Bagwell, Church Development and Planning, have also visited Brookdale and are eager to offer assistance in Church Survey and Planning.

Twenty-five hymn books and Sunday School literature for the first quarter have been received complimentary from the Sunday School Board.

Southern Baptists recommend at least two Baptist Churches in a town of more than 3,000 population. Siler City has more than 5,000.

There are 17 members and 8 auxiliary baptisms.

Respectfully submitted,
John D. Smith
Chairman, Mission Committee

40—Report of Committees.

A. Historical Report was given by H. A. Teague, Historian. In addition to the report Mr. Teague made, a motion that the churches of the Association each give a dime per member some time during this associational year to Siler City Community Church. With this we can have a "Big Jubilee" and dedicate the Community Church in 1963. Report and motion carried.

Present churches of the Sandy Creek Association from 1750 to 1921.

Five churches were organized from 1750 to 1800:

Rocky River—1756
Rock Springs—1758
Bear Creek—1787
Friendship—1796
Fall Creek—1799

Eleven churches from 1800 to 1850:

Mays Chapel—1802
Juniper Springs—1812
Brush Creek—1816
Loves Creek—1825
Gum Springs—1829
Rives Chapel—1832
Emmaus—1833
Mt. Olive—1834
Pittsboro—1847
Cool Springs—1848
Moons Chapel—1849

Nine churches from 1850 to 1900:

Bethany—1868
Jonesboro Heights—1869
Sandy Branch—1872
Hickory Mountain—1878
Tysons Creek—1881
New Salem—1883
Siler City—1889
Staley—1889
Sanford First—1893

Nine churches from 1900 to 1921:

Flat Springs—1905
Antioch—1907
Bonlee—1912
Bennett—1912
Hickory Grove—1912
Moncure—1913
Oakley—1918
Sanford East—1919
Goldston—1921

One church from 1921 to 1962:

Community—May 1, 1960

We had not organized a church in the association since Goldston was organized in 1921. Community Church joined the Association at Gum Springs on October 14, 1960.

January, 1961 the Baptist State Convention gave $1,500 to help start the Community Church and with the help of the local churches they are ready to brick veneer the church.

The pastor, Rev. J. M. James, Rt. 3, Siler City, N. C. has been preaching here for 3½ years without any pastoral aid. He has a wife and a daughter due to finish Silk Hope High School this year. Also two sons. One lives on a farm and the other son has had two years in college.

He has organized a church with 40 members—as listed in the 1961 minutes. The church used the Armory Building for a while and had to pay $7.00 in avance before they could get a key to enter the building. When they moved from the Armory Building to Community Church about three miles north of Siler City six of her members joined Loves Creek Church. They now have 51 members.

Twenty-one churches left the association in 1949 leaving the Sandy Creek Association with only 33 churches and two-thirds of them are located in Chatham County. The Sandy Creek Association covers less than 1% of the territory she occupied in 1770 when the General and Congaree Associations were organized. They took all of the churches outside of North Carolina.

There are 80 associations in North Carolina and the Old Sandy Creek is the mother—yea—grandmother of them all.

As historian, I think it is time to stop and change gears—put the car in reverse—ask the 80 associations that have gone out from the Old Mother Association with their four thousand churches with one million members and with last year's budget of 53 million, 264 thousand and 212 dollars to send in 10 cents per member from each association to the treasurer of Community Church—Mrs. Clara W. Smith, Route 4, Siler City, N. C.

This amount would help them to complete and furnish "Our Baby Church" and also to purchase a pew and print the name of your association on it. Then we can have a "Big Jubilee" and dedicate Community Church in '63.

The Baptist State Convention has met with the Sandy Creek Association twice and entertained them without any cost on the following dates: Rives Chapel—1832; May's Chapel—1836.

Your servant,
H. A. Teague
Rt. 3, Siler City, I. C.

REPORT OF HOSPITALITY COMMITTEE

Today, Emmaus Baptist Church has been so gracious to all of us—She has fed us such delicious food, welcomed us with so much warmth, provided beautiful flowers and a comfortable sanctuary for our meeting together, and in every way, She has made us feel really welcome and so glad we came—that it is a great pleasure for me, on behalf of all of us, to say "Thank You!" to the pastor and each member of this church for having had us here today.

And as we leave your house of worship, I believe, from the comments I heard while eating our wonderful lunch, that each one here, feels as I do—that we need to ask God's forgiveness for our failures and His guidance in doing a better job of winning the lost in the world this year; and pray for time in which to do it.

Truly, we have been inspired here today.

REPORT OF MEMORIALS COMMITTEE

BLESS THE LORD, O MY SOUL; AND THAT IS WITHIN ME BLESS HIS HOLY NAME. Psalm 103:1.

How easy it is under the pressure of our sorrow to forget our blessings and to depres our spirits yet more and more by dwelling continually

upon our loss. At such times we do well to give thanks for the many benefits which are ours:

For health and strength,
For work and friends,
For books and music and the beauty
Of the world about us,

For faith that conquers fear,
For love stronger than death,
And for the hope that with tomorrow's dawning,
We shall greet again the friends whom now we mourn.

Is has been said that the consolations which help most are not those which come from without, but those which spring from within our own hearts. Realizing this, let us cultivate our inner resources that we may find grace for this and in every time of need.

Prayer:

O Thou Divine and Loving Father, in our need we look to Thee for guidance and comfort. Thou hast led us in the past; still lead us on. In hours of loneliness let us feel Thee near us. Then, wherever our paths may lead, whether in green pastures or through the valley of the shadow, we will not fear, knowing Thou are with us. Guide, guard, and keep us through all our earthly pilgrimage and grant that at last, life's journey ended, we may be gathered with those who have gone before and dwell in Thy house forever. Amen.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

Notes of interest concerning the Sunday School work of the Association during the year are as follows:

Associational Sunday School Officers met at the Bonlee Baptist Church in April 1963 for a one night session of study on methods. The discussion was led by Mr. Paul Kesterson, Director of Associational work of North Carolina Baptists.

A mass meeting was held at the Sandy Branch Baptist Church on March 31 with the Rev. Ernest Holt, Durham, as guest speaker.

On September 29, a similar meeting was conducted by the Rev. Gerald Primm, Greensboro, in the First Baptist Church, Siler City.

"Preparation Week" was conducted September 23-26 in five areas of

the Association with twenty-eight churches participating.

Plans are being discussed for an Associational Pastor-led clinic for Officers assisted by North Carolina Baptist State Convention workers. We hope to see these plans materialize within the year.

As a climax to the "Baptist Jubilee" may we use our Sunday Schools to witness in the year 1964.

Vacation Bible School reports reveal only six short of our goal, "A school in every Church." Was your Church one of these? Could you help make the report 100 per cent next year?

Our Association was represented in every department of the North Carolina State Vacation Bible School Clinic held at Wingate College in January. These workers conducted two Associational clinics in April in the Loves Creek and East Sanford churches for churches of the Association.

In 1962 Moons Chapel Church reported a Standard Vacation Bible School. In 1963 Staley and Rives Chapel reached the goal. Will you work for a Standard school in 1964? Through this effort more boys and girls are won to Christ in our churches than in all other efforts combined. It is important to have a well planned Vacation Bible School in every church.

Respectfully Submitted,
Rev. Claude Simpson
Associational Sunday School Superintendent

7. Training Union Report—In the absence of director C. R. Smith, the report was given by E. E. Sloan. Adopted as presented.

BAPTIST TRAINING UNION REPORT

The first mass meeting of our Training Union was "Mobilization Night" on December 3, 1962. We met at the First Baptist Church in Siler City with 559 in attendance. The theme for the year, "Be Ye Witnesses," was emphasized during the program. The Reverend Gerald C. Primm, of Greensboro, brought a wonderful inspirational message.

On March 9, 1963, the first Youth Night for our associational Training Union was observed. We had 100 young people and Training Union leaders present. A medical student from Hawaii, Mr. Alfred Gima, brought the inspirational message.

Our Training Union Tournaments were held at the Sandy Branch Baptist Church on April 2. There were contestants in each of the different categories.

It is our hope that in the new year the Training Union will grow in churches, and that those churches which do not have Training Union will seek to start one.

Respectfully submitted,
C. R. Smith, Jr.
Associational Training Union Director

11—Under miscellaneous business and announcements, the Rev. Earl Moseley gave the report of the Missions Committee after which it was moved that the Brookdale Baptist Church of Siler City be received into the Sandy Creek Baptist Association as a fully constituted Baptist Church.

After quite a bit of discussion, the motion was unanimously passed and Brookdale accepted as requested.

Members of the Brookdale Baptist Church were recognized.

BROOKDALE BAPTIST CHURCH REPORT

On October 12, 1962, Brookdale Baptist Mission was received into the Sandy Creek Baptist Association to be under their watch-care for one year.

Steady growth during the 1962-63 year included a Church Community Survey assisted by Church Development and Planning Department of the Baptist State Convention of North Carolina. This survey revealed a need of reaching more than two hundred prospects in the immediate area of Brookdale.

The Mission was incorporated as "Brookdale Baptist Church of Siler City" in April 1963.

A ground-breaking service was conducted on June 2 for a first-unit construction which was completed on September 28t. Revival services were conducted September 29-October 5th.

In September 1962 Brookdale had 17 members with a Sunday School enrollment of 30. The September 1963 records reveal 34 members with a Sunday School enrollment of 61.

A Constitutional service was conducted on October 7, 1963 by Rev. M. E. Cunnup, Moderator of Sandy Creek Association and the Associational Missions Committee, Rev. Earl Moseley, Chairman. Dr. J. L. Carrick spoke on the Baptist Articles of Faith, "In Beginning," "Baptism" and "The Lord's Supper."

In a regular business meeting the members of Brookdale Baptist Church voted to request admission into the Sandy Creek Baptist Association as a fully Constituted Baptist Church during the Two Hundred and 5th Session of the annual meeting of Sandy Creek Baptist Association.

Respectfully Submitted,
Rev. Earl Moseley, Chairman
Associational Missions Committee

12—A motion, by Alden Hicks, pastor of Hickory Mountain Church, was made that the Committee on Committees be asked to contact those who will be nominated for the various committees for the new year before the meeting of the Association. The motion carried and it was so ordered.

13—The hymn, "More About Jesus Would I Know," led by Lanny Johnson, was sung by the entire congregation.

14—Report of Brotherhood was called at this time. Report adopted as given.

BROTHERHOOD REPORT

There were three scheduled Associational Brotherhood meetings this year. The two meetings scheduled before April and before my appointment as Acting Brotherhood President did not meet for some reason.

But after my appointment there was one scheduled meeting left. That meeting was held, April 26, 1963, at Sandy Branch Baptist Church. Rev. Clyde Davis, State Brotherhood Secretary, was our guest speaker. Loves Creek Baptist Church Men's Chorus brought the special music. The theme of this Mass Brotherhood Meeting was, "Mobilizing Men for the Master." There was a fine attendance of 57 at this meeting.

Material for a **Revival In Stewardship Enlistment** was mailed in July to thirteen of the fourteen listed Brotherhoods, for October 21-27, 1963.

The Association Newspaper has had articles with my name and address listed as a plea for churches to let me know when I could be of any service to them. No churches have contacted me. Several personal letters were mailed but still there was not evidence of interest in Brotherhood work. Unless the pastors show some initiative this lack of Brotherhood interest will continue to exist.

There are three meetings planned for the 1963-64 Association Brotherhood Year. They are:

BAPTIST MEN'S RALLY, Tuesday, Jan. 14, 1964, at Loves Creek Baptist Church, 7:30 p.m.

BOY'S RALLY, Saturday, May 2, 1964, at Sandy Branch Baptist Church, 5:00 p.m. (not confirmed)

BROTHERHOOD WORKSHOP, Tuesday, Sept. 15, 1964 at Sanford First Baptist Church, 7:30 p.m.

Thank you for giving me this opportunity to serve the Lord in this Association. I will support the next Brotherhood President any way I can; I hope others will do the same.

Yours truly,
Danny E. Bush,
Acting Brotherhood President
Sandy Creek Baptist Association

15—Report on Christian Education was given by George Bobo. Report spoken to by Dr. L. H. Hollingsworth, Chaplain of Wake Forest College. Report adopted.

REPORT ON NORTH CAROLINA BAPTIST COLLEGES FOR 1963 ASSOCIATIONAL MEETINGS

(Prepared by the office of the Council on Christian Education)

Of special interest this year is the fact that Campbell College graduated its first senior class. Mars Hill will be graduating its first senior class in the spring of 1964.

The advancement of our program of Christian education continues to be made possible through the gifts of the local churches through the Cooperative Program. The Baptist colleges of North Carolina deeply appreciate what has been done through the Christian Education Advance. The benefit from this program will be felt by the colleges for many years to come. We urge all Baptist churches to cooperate with Director R. T. Greene as we move into the final year of the campaign.

Denominational Leadership

We are more strongly convinced than ever that the denominational college plays its most vital role in its production of Christian leadership, not only in Christian vocations such as the ministry, missions, evangelism, church music, religious education and related fields; but, more particularly, it is contributing a vital leadership through laymen who are serving in many capacities in local communities.

This past year during Christian Education Day we emphasized the fact that Baptist colleges (North Carolina) now have missionary alumni who are serving all around the world. Almost 200 dedicated men and women are preaching the gospel in many lands and in many tongues.

But we must remember that it was Dr. Baker James Cauthen who, in a letter to the secretary of the Council, pointed out that in addition to this wonderful contribution, Baptist colleges are sending hundreds of graduates back into the local community with a direct interest in missions and other phases of church work. Baptist colleges are taking seriously the task of producing Christian leadership for our times.

Four Great Challenges for Christian Higher Education

1. The challenge presented by the plight of modern youth who are desperately trying to find the meaning of existence in a world which elders did not know, a world teetering on the brink of atomic destruction on one hand and staggering under the burden of military training on the other.

2—The challenge of Christian leadership in a world which for the past several years has watched an alarming decline in the number of men and women committing themselves to the Christian vocation.

3—The challenge of liberty and individual freedom and dignity in a world which has witnessed a dehumanization of man on every level.

4—The challenge of a culture which has radically changed from Christian to non-Christian in practice and world view.

5—The challenge of high academic standards and competent teaching.

CHRISTIAN EDUCATION EMPHASIS FOR 1964

Therefore, mindful of the real dangers which our denomination faces with a decline in the number of young people answering the call to full-time Christian service, your Baptist colleges, working through the Council on Christian Education, have designated Christian Education for 1964 as **Christian Vocational** Day. This will be a day for "calling out the called," the day in which the colleges will join our churches in appealing to young people to heed the call to the ministry, missions, and evangelism, to prepare themselves to accept positions of leadership in religious education, church music, and in many of the special fields related to these.

It is the hope of the colleges, through the Council, to make this a permanent emphasis, not only in the "calling out of the called," but in recognizing the role which the layman plays in the church and community.

In addition to this, we hope to make the Christian Education Day offering next year a great offering to help those young people answer the call to full-time Christian service and to go to college. The colleges feel that for too long this area has been neglected. While thousands of dollars are available in scholarship funds in this country for those who want to study science, technology, teaching, or many other professions, there has been no corresponding effort to help the Christian vocational workers overcome their financial problem.

And, finally, we conclude this report by an appeal for all the churches and all the Christian people in our state to join hands with us in 1964 in making it a great year when we "call out the called" and in which we provide adequate funds for helping these young people go to college.

16—The Campbell College choir presented the following numbers: "The God We Praise", "We Shall Have A Song", "Of The Fathers Love Begotten", "There Is A Balm In Gilead", and "Roll, Jordan, Roll' . The choir, which rendered those numbers beautifully, was conducted by Dr. Paul M. Yoder, accompanied by Libby McCarthy. Soloists in the various numbers were composed of Cheryl Burton, Lucinda Mize, and Wayne Turnage.

17—There was no annual sermon due to the fact the preacher designated to preach it had moved out of the association, and the alternate, the Rev. C. R. Smith, was sick and could not be present. The time was given to the Rev. Tom Greene, who spoke on the Cooperative Program.

AFTERNOON SESSION—THURSDAY, OCTOBER 10, 1963

18—This session was opened with the hymn, "I Am Thine, Oh Lord", led by Rev. Lanny Johnson, accompanied at the organ by E. E. Sloan and at the piano by Mrs. C. S. Bullock.

19—Baptist Hospital Report called. In the absence of Mr. Griffith, the report was given by Manly Bennett. Report adopted.

REPORT ON BAPTIST HOSPITAL

e opportunity of serving persons created in the image of God is a
d holy privilege
and I have such an opportunity in multiplied thousands of people who are sick in body, mind and spirit, and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the total person. We are grateful for this opportunity of joining hands with those who soothe the fevered brow, give the miracle drug, guide the surgeon's knife, bring the message of hope, and do the hundreds of other tasks which are necessary in the operation of our great Medical Center.

The number of those who receive the services of our Hospital this year will be greater than the population of one of our medium-size North Carolina cities, such as Goldsboro or Salisbury. Most of them will be seriously ill and referred by their family physicians because they need the kind of care available only in a large medical center. They will come from all area of our state and from all walks and circumstances of life. What a privilege it is to serve these friends in need and what a challenge to our skills and our compassion!

The Mother's Day Fund, which we provide by our special offerings or by an item ino ur church budgets designated for the Hospital, is the means through which we make it possible for those who cannot pay to have the care they need. The $176,000 which the Hospital receives from the Cooperative Program provided by our churches must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We call attention to the Service Patient Endowment Fund of the Hospital which we may place in our wills for any amount, or contribute to at any time, and thus continue to be a part of this service of love through the years after we are gone.

We wish to thank our people for their share in this ministry and call upon them to make their support a worthy expression of their Christian concern.

20—The Registration Committee reported one hundred and ninety (190) had registered at this time. Twenty-eight churches were represented. Report adopted.

21—Report of Hospitality Committee was given by Mrs. E. E. Edmondson. Adopted as given.

REPORT OF HOSPITALITY COMMITTEE

I am happy today to say "Thank You'" to the Jonesboro Heights Baptist Church and Rev. Johnson, for having us, the Sandy Creek Association, in your church, making us feel so welcome, and for providing for our every need. You have been very gracious hosts. We have enjoyed the hospitality, the spiritual and physical food, and all the accommodations which you have provided.

So, on behalf of all of us, again I say, "Thank You!"

Respectfully submitted,
Mrs. E. E. Edmondson

22—Report of Nominating Committee was given by the Rev. W. Wilbur Hutchins. Adopted as given. This report may be found on page 1.

EAST SANFORD BAPTIST CHURCH

25—This session was opened by the congregation singing, "Give Of Your Best To The Master."

Devotions were conducted by the Rev. Bob Phillips, pastor of the Tramway Baptist Church. He used as his subject—"The Christian Calling", reading Ephesians 4: 1-5.

27—Report of the Christian Life Commission was given by the Rev. Robert Dukes, pastor of Flat Springs Baptist Church. Report adopted.

1963 REPORT OF THE CHRISTIAN LIFE COMMISSION

During the past year the Commission has emphasized a program of Christian morality development. "Specifically, the Commission has emphasized the importance of **the practical application of Christian principles in everydday life** through promotion, dissemination of information, study and research, and special consultative and advisory endeavors.

In coordinating activities in the state commissions, the Commission

has helped Baptist wittness in the areas of family life, race relations, the economic order, Christian citizenship, and Christian morality as it relates to such matters as beverage alcohol, gambling, salacious literature, juvenile delinquency and world peace.

Highlights of the past year's work:

Speaking: Messages delivered by the staff on the above subjects in nineteen states to varied audiences, including 8 of the messages which were carried in our Baptist papers to 427,000 people.

Writing: Written material circulated to approximately 22,196,000 people.

Anti-Communism: The Commission arranged for the Training Union lessons for November to be about Communism, released a Study Course Book on Communism through the Sunday School Board, prepared a 30 minute film and 3 fifteen minute films on Communism, devoted the Commission's Ridgecrest and Glorietta Conferences to Communism, provided tracts for 3,100 churches, 1,400 W.M.U.S.s, and made numerous speeches to leadership groups.

In the words of Foy Valentine, Executive Secretary-Treasurer of the Commission, "There is overwhelming gratitude to God for the 'great and effectual door' that has opened wider to the Commission during the year as the Commission has sought to call Southern Baptist not only to believe but also to behave."

28—Hymn, "O God Our Help In Ages Past", the W. M. U. Hymn of the year.

29—Report on the American Bible Society by the Rev. Claude Simpson. Report adopted as given.

AMERICAN BIBLE SOCIETY

The American Bible Society is an active partner of Southern Baptists in the missionary task of sharing Christ with the whole world—a task which calls for the widest possible distribution of the Scriptures.

People must have the Bible because IT PRESENTS JESUS CHRIST, the one hope of men and nations.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave—and keep on speaking to a person's heart.

During 1962 the American Bible Society—extended it's work to 40 additional countries and provided almost two-thirds of the year's total of nearly 50 million Scripture volumes distributed by all the Bible Societies of the world. Overseas distribution of almost 17 million volumes was an increase of 49 per cent over the year before.

Gave almost a million Scripture volumes for distribuption by Chaplains to our Armed Forces and veteran's Hospitals.

Continued to expand its distribution of Scriptures to persons of special needs in our own lands: language groups; victims of disasters; patients in hospitals; persons in nursing home, jail, reformatories and prisons; migrant farm workers—and many others.

SOUTHERN BAPTISTS SUPPORTS THE WORK

Two years, 1958 and 1961, Southern Baptists led all denominations in gifts to the American Bible Society. But in 1962 Southern Baptist gifts of $158,206 stood second, exeeded by Methodist gifts of $206,580. Gifts from all churches in the U.S.A. totaled $1,191,233.

The help of every Southern Baptist Church is needed. Has your church given this year? Here are suggestions based on what many churches are now giving:

Every church can give **at least** these amounts **each year:**

Smaller churches	$10 to $ 60
Larger churches	$60 to $300
Great city churches	$300 to $600 or more

Please send gifts to your Baptist state office marked "for the American Bible Society."

Respectfully Submitted,
Rev. Claude Simpson

30—Royal Ambassador's Report given. Adopted as read.

ROYAL AMBASSADOR REPORT

The Sandy Creek Baptist Association, according to the 1962 minutes, has ten churches out of 36 with Royal Ambassador chapters. Of these churches with chapters, there are 7 Crusader Chapters (9-11 years), 5 Pioneer Chapters (12-14 years), and 6 Ambassador Chapters (15-17 years. There are 58 Crusaders, 35 Pioneers, and 66 Ambassadors making a total of 159 Royal Ambassadors enrolled in the Association.

Royal Ambassador work is strongest in the churches where there are Brotherhoods to support them. The smallest chapters, having a total enrollment of 35, are located in four churche that do not have Brotherhoods. They have an average enrollment of nine members. Ther is an enrollment of 124 in the six churches that have Brotherhood support, which produces an average enrollment of 21 members per church.

In 1957, the first year that Royal Ambassador work was under the sponsorship of the Brotherhood, there were 17 chapters in 13 churches in our Association with an enrollment of 212 members.

The goal for the present and for the future is to have Royal Ambassador chapters in each of our churches and missions. This must always be our goal. Anything less would never be sufficient: our Lord expects our best in every situation in life.

Respectfully submitted,
Ullin L. Bivens

31—Woman's Missionary Union Report given by Mrs. Paul Cromer, Associational W. M. U. President. Adopted as given.

SANDY CREEK ASSOCIATIONAL W.M.U. REPORT
October 10, 1963

"That the world through Him might be saved." John 3:17 (1963 Watchword)

The greatest desire of Woman's Missionary Union is to see our watchword for 1963 come true.

The women of Sandy Creek W.M.U. worked hard last year to help make this watchword a reality some day. We have done this through prayer, community missions, mission study, and stewardship.

We have had a wonderful year in W.M.U. with many increases in our work. To God be the glory.

Some of the highlights for the year have been a work-shop held at the Sandy Branch Church for local leaders. They received help for their work in the local churches. This meeting was well attended.

There was a great feeling that God was with us at our Annual W.M.U. Meeting held at the Pittsboro Baptist Church in March with around two hundred and fifty attending. Mrs. Ronald Hill from Thailand was the speaker for the evening. Also, we placed special emphasis on the 75th Anniversary of the W.M.U. and the 50th Anniversary of Girls' Auxiliary. The Siler City Church brought us a play to help us in this celebration.

Mrs. Wilbur Hutchins, Associational G.A. Leader, held the 50th Anniversary celebration in the First Church of Sanford. It was very well attended. Girls from the Goldston and Sandy Branch churches gave the 50th Anniversary play.

We are grateful for the work of our Youth organizations working along with the mother organization for the cause of Christ in our local churches, our association, state, nation, and around the world.

In September, our Associational leaders attended a workshop at Campbell College.

A prayer retreat and Cooperative Program play was held at Goldston Baptsst Church by the Associational W.M.U. for all the churches in the Association. Our prayer chairman, Mrs. Guy Matthews conducted the retreat. A Cooperative Program play was given by members of the Goldston Church.

Our W.M.U. made a special gift of one hundred dollars to the

Burney Fund to help missionary sons and daughters.

Women from Sandy Creek W.M.U. enjoyed the North Carolina W.M.U. Convention in Charlotte in March.

Our prayer is that the whole family will feel a part of this great program because it is the church at work. We ask the prayers and help of our pastors as they continue to promote W.M.U. work in the local churches.

Women and young people count it a privilege to be an auxiliary of the Sandy Creek Association. May God bless His work in this association.

Respectfully submitted,
Mrs. Paul Cromer, President

SECOND DAY PROCEEDINGS

MORNING SESSION—FRIDAY, OCTOBER 11, 1963

BENNETT BAPTIST CHURCH

34—The second day's morning session was opened with the hymn, "Love Divine", led by Danny Bush of Loves Creek Church with Mr. Sloan of the Siler City Church at the organ.

Devotions were led by the Rev. Joseph Crouch, pastor of Brush Creek Church.

Welcome was very graciously extended by the Rev. Claude Johnson, pastor of the host church.

35—Report on the Children's Homes was given by the Rev. S. C. Glosson. Dr. I. G. Greer spoke to this report. Report adopted as given.

REPORT TO THE ASSOCIATIONS BAPTIST CHILDREN'S HOMES 1963

More children were served by the Baptist Chidlren's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance—the Thanksgiving offerings, once-a-month offerings, Cooperative Program gifts, food, clothing and other things. Without these we could not provide the many services to children and families which we do.

The physical, mental, social and spiritual growth and development of our children has been most gratifying. North Carolina Baptists have every reason to rejoice with the very fine response of these boys and girls to the Christian love care afforded them. Members of an already fine and capable staff continue to grow in their love for children and their ability to work effectively with them.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation which the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of public welfare and others, plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him." We lay upon your hearts three areas of need.

1—An immediate increase in the number of children in good Christian foster homes in all areas of the state.

2—Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.

3—An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving offering is a must! Without it we cannot maintain what we now have in progress. We would challenge Pastors, Sunday School Superintendents and church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of our greatest joys in Christian service.

Financial support for the past year has come from the following sources:

Cooperative Program	33 per cent
Thanskgiving Offering	30 per cent
Once-a-month Offerings	16 per cent
All Other	21 per cent

Charity and Children, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist people. It has long been one of the best religious papers published among Southern Baptists. Every family in every church is invited to be among its readers to keep informed about our child care program and the world mission of our Lord. An issue of **Charity and Children** can be enjoyed each week during the year for only sixty cents. See that your church receives it.

42—Music Report, given by Mr. Sloan, was adopted as given.

MUSIC REPORT SANDY CREEK ASSOCIATION

Music continues to serve as an important part of the worship services in all churches. At least two churches, Love's Creek and Rocky River, have held individual schools of music during the past year, with the interest and attendance both excellent.

Special music was arranged for several associational meetings by the associational Music Director. These included "M" Night and two Sunday School Rallies.

Love's Creek Church called Danny Bush as Music and Educational Director in January, and Lanny Johnson was called to Jonesboro Heights during the year as part time music director.

Special music by Loves Creek Church consisted of a solo, "Oh, Love That Will Not Let Me Go." This solo was accompanied by Mr. Sloan.

Respectfully Submitted,
E. E. Sloan
Associational Music Director

43—Evangelism Report was given by the Rev. Claude Simpson. Adopted as given.

EVANGELISM REPORT

As we close the record book upon another associational year, we humbly thank our Heavenly Father for the victories won, and we turn our attention to the task before us.

During the past year most of our churches had at least one revival. In addition, a clinic on Evangelism, was held at the Jonesboro Baptist lism, North Carolina Baptist Convention. We had 17 churches represented Church, March 4th., by Mr. Gary Harthcocck of the Department of Evangeand a large enthusiastic crowd.

There is much to be done was we continue our efforts to get ready for the great endeavor before us in 1964. We, in our own strength, cannot bring a revival but there is no record in history of a revival among God's people against their will. History reveals that every spiritual revival has come when God's people had longed for it and earnestly prayed for it. Also, a fervent proclaiming of the Gospel has always been in evidence when God poured out his spirit in power upon his people. Of course this

means that revivals are of God but it also means that he uses His people in them.

1964 has been designated as the climactic Jubilee year for our best effort under God in Evangelism. Plans call for Jubilee Revivals in every Baptist Church on the North American Continent.

We should prayerfully and carefully study the Southern Baptist's top plans for 1964 and follow them as the Holy Spirit leads.

The Historic Sandy Creek Association can do its part, but it will require the cooperation of every church.

Respectfully Submitted,
Eugene E. Edmondson

Sermon on Evangelism was by the Rev. Frank Crumpler, pastor of the Durham Baptist Church, Durham, North Carolina. This was quite an inspiring sermon on Individual Evangelism.

REPORT OF MEMORIALS COMMITTEE

In 1 Thessalonians 4: 14-18 we read: For, if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him. For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first.

Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air; and so shall we ever be with the Lord. Wherefore comfort one another with these words.

BE STILL

Be still, my soul: the Lord is on thy side;
Bear patiently the cross of grief or pain;
Leave to thy God to order and provide;
In every change he faitful will remain.
Be still, my soul: thy best, thy heavenly Friend
Through thorny ways leads to a joyful end.
Be still, my soul: thy God doth undertake
To guide the future as he hasthe past.
Thy hope, they confidence let nothing shake;
All now mysterious shall be bright at last.
Be still, my soul: the waves and winds still know
His voice who ruled them while he dwelt below.
Be still, my soul: the hour is hastening on
When we shall be forever with the Lord,
When disappointment, grief and fear are gone,
Sorrow forgot, love's purest joys restored.
Be still, my soul: when change and tears are past,
All safe and blessed we shall meet at last.

REPORT OF THE MISSIONS COMMITTEE

On September 13, some of the members of the Missions Committee held a meeting with two of the Deacons of the Friendship Baptist Church of Glendon. This church was burned on January 4, 1964. It has a membership of 19, with a Sunday School enrollment of forty (40). They have Sunday School and Morning Worship every Sunday. The church was organized in 1758.

Since their building burned last January, the members have gone out and raised $3,600.00 and have begun construction of a block building. They already have the walls up, the roof on, the windows in, and the subfloor in.

We, the members of the Missions Committee, wish to commend them for the hard work and determination to see this old historical place of worship kept open for the worship of this group of people.

We recommend to the Association in their Two Hundred and Sixth Annual Meeting that we give aid to this church in the amount of $500.00; and urge that if there is any church in the Association that has pews or pulpit stand not being used, that they look into the possibility of giving the same to this church.

Respectfully Submitted,
Mr. Earl Moseley, Chairman
Missions Committee

Mr. W. C. Harward, Clerk-Treasurer
Sandy Creek Baptist Association

Dear Mr. Harward:

We received your letter and the five hundred dollar ($500.00) check for our Building Fund, and I want to thank you for all the members of our little church. We do not have a lot of members and a big church; but the Lord said. "Where there are two or three gathered in My Name, I will be in the midst." I know God is with us.

We did not have any insurance on our building when it was burned; but through the help of the Lord and the help of Christian people, we are rebuilding. We are hoping it will be finished soon, so we can have a Dedication Service. We thank God for each and everyone who has helped us in our time of need. We hope that you all can be with us in our first service. Someone made the remark that we could not get it built back, as we did not have the money and did not have any insurance on the building; but thank God, if we have faith and pray, through Him, we can do all things. He is one who will never forsake us and He is always with us when we need Him. May I say again, God bless each and every one for the help that has been given us.

I did not get to go to the meeting at Oakley Church, as I have been sick, but my prayers were with you all. Pray for me and for our little church that it will be a light house for God. May the Lord be with you all and His blessings, peace, joy, and happiness go with you all.

Your Friend in Christ,
Mrs. T. G. Davis, Treasurer
Friendship Baptist Church

6C. A recommendation concerning the time of opening the first day of the Association was presented by Alden Hicks. The recommendation was adopted.

Last year at our Associational Meeting a committee was appointed to study the Annual Associational Meeting Program. Your committee, having studied various possibilities, would like to recommend the following changes:

1. That upon the first day of the Annual Associational Meeting we begin at 2:30 P.M. instead of 10:00 A.M.
2. That we have the Evening Session, the evening meal, and the Night Session in the same church with the Night Session emphasis upon Missions.
3. That the Second Day of Associational Meeting be as usual in a separate church.

Respectively submitted,
Alden Hicks, Chairman
J. G. Bailey
Ira Cartee
Paul Cromer
Bill Fitz, Jr.
W. C. Harward
C. R. Smith

7. Hymn No. 260, "I Am Thine, O Lord," was sung by the congregation, led by Mr. West.

8. The Biblical Recorder Report was given and adopted. This report was given by Roger Branch of The Biblical Recorder Staff.

1964 REPORT TO THE ASSOCIATIONS OF THE BIBLICAL RECORDER

In the modern world nothing stays around very long that doesn't have some definite purpose and mission. The "Biblical Recorder," now 131 years old, grows in strength and stature because its course is fixed upon the primary purpose of service to the Baptists of North Carolina.

Never has there been a day when the Christian witness was more needed in dealing with the problems of the world. The church at work in the world needs all the information and insight it can get. Our democratic form of church government is founded upon the belief that people will do the right thing when properly informed. To help Baptists fill these needs, the "Recorder" seeks to do the following:

1. TO INFORM. Baptists cannot properly do until they properly know. With special attention to the interests and needs of Baptists in this state, the "Recorder" staff gathers, sifts and publishes significant news from as many sources as possible. It keeps abreast of the important activities of the State Convention and its agencies and institutions. As much as possible, news from the wider circles of the Southern Baptist Convention and the entire Christian world is presented.

2. TO INTERPRET. Increasingly it is becoming necessary for responsible publications to help readers understand the meaning of events. The reasons are many. Daily the world becomes more complex and events and personalities become more entangled. Most people face such a flood of information and propaganda from every direction that it is hard to sort out the important things, set them in proper context and understand them. With the resources of full information, close contact with denominational leaders, pastors and others, plus many years of experience, the "Recorder" seeks to say something about the meaning of events as well as reporting them.

3. TO INFLUENCE. Like the individual Christian, a Baptist paper has a responsibility to let its light shine in the world. A long record of service, integrity and courage has earned respect for the voice of the "Recorder" both within and without the denomination. Proper use of that voice, lighted by the New Testament and conscience, is both a service and a sacred trust. Take the lead in seeing that every family in your church receives the "Recorder."

Respectfully submitted,

9. Report of Registration Committee was given by Mr. Earl Moseley. The report was adopted as given.

REPORT OF THE REGISTRATION COMMITTEE

Representatives from thirty-five (35) churches have registered at this time. A total of two hundred eighty-eight (288). Brother Moderator, I move, sir, that those who have registered and others who will register, constitute the voting strength of the Two Hundred and Sixth Annual Meeting of The Sandy Creek Baptist Association.

Respectfully submitted,
Earl Moseley, Chairman of the
Registration Committee

At this time we had special music which consisted of a solo, "I Walked Today Where Jesus Walked," beautifully rendered by the Reverend Charles Wanton, accompanied by his wife.

10. The Annual Sermon was preached by the Reverend Earl Moseley. He used Colossians 1: 24-29 as the biblical background for his sermon. It was a very inspiring message.

The closing prayer was by the Reverend Alden Hicks, pastor of the Rocky River Church.

AFTERNOON SESSION—OCTOBER 15, 1964

11. This session was opened by the singing of our theme song, "To God Be The Glory," led by Mr. West, accompanied by Mr. Sloan. Dr. Carrick led the devotions, continuing the theme he used previously in the morning. Needless to say, it was quite an inspiring message.

12. Sunday School Report was given by the Reverend Claude Simpson, Associational Sunday School Superintendent. The report was adopted as presented.

ASSOCIATIONAL SUNDAY SCHOOL REPORT—1963-1964

The Great Commission of our Lord is just as relevant in our generation as it was in the first Christian century. We are to "Go and **teach** all nations, **baptizing** them in the name of the Father, and of the Son, and of the Holy Ghost; **teaching** them to observe all things . . ."

The Sunday Schools of our churches have been assigned the tasks of outreach, teaching the Bible, leading all church members to worship and witness daily, providing opportunities to perform the personal ministries of the church, furnishing workers for various projects, and interpreting the work of the church and denomination.

Dr. A. V. Washburn, secretary of our Southern Baptist Sunday Schools, says, "Before outreach can become a continuing reality, our churches must get their programs in the right order. The natural order is the reaching of people, the winning of the lost, and the development that should come out of it."

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal we must gain approximately 30% in the next six years. In North Carolina we are challenged to reach a Sunday School enrollment of one million by 1970, or a gain of 29%. This tremendous task of outreach must have priority.

We are asking each Sunday School in our association to accept an enrollment increase of 2% for 1965, 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached. **Evangelism, stewardship, missions, discipleship**—all of these wait upon outreach. **People** must be our concern.

These enrollment gains can be realized by organizing new Sunday Schools (a new Sunday School will gain 30); the creation of Extension Bible classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and Young People Away departments (each will gain 6); and enrolling Vacation Bible School pupils not in Sunday School.

If we will follow the simple growth formula advocated by Dr. Arthur Flake many years ago—locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people—we will experience the glorious opportunity of reaching people for Bible study that they might become followers of Jesus Christ.

Along with an accelerated emphasis upon outreach, each Sunday School is urged to observe January Week of Bible Study, to plan a church and mission Vacation Bible School, to promote Operation Home Study and other opportunities of training in the Church Study Course, to cooperate in the Adult Thrust effort to reach thousands of adult church members not enrolled in Sunday School, to participate in the associational Sunday School projects—clinics, conferences, enlargement campaigns, and to encourage workers to attend the Sunday School emphases at the North Carolina Baptist Assembly, Fruitland, and Ridgecrest. As our Sunday Schools go, so will our churches go.

Our Sunday Schools in the Association reported a total enrollment in 1963 of 7,973 as compared with 7,796 in 1962.

Respectfully submitted,
Claude Simpson
Associational Sunday School Superintendent

13. The Baptist Hospital Report was called. There was no report presented. The Reverend Ken Boyette spoke on the subject. He made a wonderful talk on the needs and the work of our Baptist Medical Center.

14. Committee Reports was called. Alden Hicks reported for the Nominating Committee. Report was adopted as given. This report may be found on page 1.

15. The Hospitality Report was given by Mrs. W. C. Brewer. The report was adopted and presented.

HOSPITALITY REPORT

The Psalmist said, "The young lions do lack and suffer hunger; but they that seek the Lord shall not want any good thing." Certainly we have not lacked any good thing or suffered hunger today. We have been fed bountifully, both physically and spiritually.

On behalf of the Sandy Creek Association, we express our heartfelt gratitude to the pastor and members of Oakley Baptist Church for the hospitality extended to us. We are grateful for every contribution which helped to provide an atmosphere of worship and Christian fellowship.

To everyone who has had a part in the planning and preparation of the Two Hundred and Sixth Annual Session of the Sandy Creek Association, we offer our sincere thanks.

Respectfully submitted,
Mrs. W. C. Brewer, Jr.

17. A Special Recommendation was presented by Alden Hicks as chairman of a committee to study the need for and a recommendation of a Promotion Director. The recommendation follows.

We recommend that in the near future the Sandy Creek Baptist Association employ a part time secretary. The duties of this secretary will be: Typing and mimeographing for the Associational Council and Committee Chairman. edit and mail a monthly Associational Letter, act as Associational Clerk of our Association, and any other secretarial work that may be necessary. The secretary shall be under the supervision of the Associational Moderator and Council.

To meet the additional expense, we recommend that the Messengers to the Association ask their respective churches to raise their gifts to the Association to thirty cents per member.

We recommend that this body empower the Executive Committee to put the above into effect pending the approval by the churches.

Alden Hicks, Chairman

Special music, "O Wonderful Saviour," was beautifully sung by Mrs. Glenn Russell of the First Baptist Church of Siler City.

18. The Moderator's Address was by the Reverend Casper Rei Smith. A summary of this address follows.

A SUMMARY OF THE MODERATOR'S ADDRESS

While working on the mission fields of Hawaii, there were many things that I noticed that are similar to our Baptist work on the mainland. Yet there are many things that are quite different from the Baptist work that we know in our own association. One difference that I noticed right away was the small number of Baptists in the Hawaiian Islands. In any associational meeting or state convention meeting, there would be just a small group of people. In contrast to our own association, we have a large group to attend the annual meetings, and our state conventions sometimes have two or three thousand messengers.

Perhaps the most unusual thing I noticed about the Hawaiian Baptists different from ours was the fact that in their meetings they seemed to have a very strong Christian fellowship. It was a Christian fellowship likened unto that of the First Century, I am sure. There is something strange about this fellowship, something you never forget once you have experienced it. This brings me to a question: What has happened to our fellowship?

As we look at the history of the church down through the ages, we can see where Christians came together in good numbers and experienced an unusual blessing because of the Christian fellowship and because of the spirit of the meetings. The history of the Sandy Creek Association speaks for itself when we think of fellowship. Over two hundred years ago, Shubal Stearns met with a group of Baptists in Sandy Creek, North Carolina, and organized a church. In forty-two years they organized seventeen churches, which means that their Christian fellowship had to be strong and great.

The story of another great church has been told recently in a book entitled, "The Saints and Sinners at the Jersey Settlement." This is a story of the Jersey Baptist Church, one of our oldest in North Carolina. As we read the story of this church, we can see very clearly what the right kind of fellowship can do, and also what the wrong kind of fellowship can prevent a church from doing. Dr. Garland Hendricks, of Southeastern Seminary, describes the long period in which the Jersey Church did little more than maintain its membership as a "long, dry spell". Then he goes on to say, "But then the showers came!" The showers came to the Jersey Church in the form of many spiritual blessings when the Jersey membership began to preach the word of God, evangelize the lost people in the community, and support missions. Any church that fails to do these things will experience a dry spell, but on the other hand, the church that puts

these three principles into practice will experience a great revival of Christian fellowship and many showers of blessings.

The mission spirit of the church is the spirit that generates enthusiasm and the spirit of true fellowship. Any church without the mission spirit seems to be a dry church, perhaps even a dead church. But a church with a mission spirit seems to be alive and seems to be growing and going forward. Let us in the Sandy Creek Association make sure that our churches are preaching the whole gospel, that we are reaching out into our communities to evangelize all those who are lost, and that we support our mission work around the world. Now is the time for us to do all that we can to promote the kingdom of God while the days of opportunity last.

The story is told by Wendall Blue of our Home Mission Board which brings out a point that I have in mind. Rev. Blue said that during the Second World War he was traveling through some of the old ruins near Alexandria, Egypt. A small boy came up to him and asked him if he could be his guide. He said, "Sir, I will take you to where the Christians were." This got the attention of Mr. Blue and he let the little boy guide him to some old ruins that had been dug out of the ground. It was the site of a temple in days gone by. The thought came to Mr. Blue's mind, and it comes to my mind today: Will there be a time in the future when someone will say, "Let me show you where the Christians of the Sandy Creek Association used to be." Let us show you where the Oakley Baptist Church used to be, or the First Baptist Church of Siler City, or any other church in our association. Will we be a has-been church or denomination? If our fellowship does not grow and become alive, there is a danger that we will fade away and become a lost cause. This we will never let happen. We are able, through our Lord, to meet the challenge of the day.

May God bless you as you strengthen the fellowship in your own church.

EVENING SESSION—OCTOBER 15, 1964

COOL SPRINGS BAPTIST CHURCH

19. This session opened with the singing of the hymn, "To God Be The Glory," led by Mr. West with Miss Loraine Sloan at the piano. Devotions by Mrs. J. F. Gallehugh were quite inspirational. A very warm welcome was extended by Mrs. Bill Lambe.

20. The Report of The Woman's Missionary Union was given by Mrs. Paul Cremer, retiring Associational president. The report follows.

SANDY CREEK ASSOCIATIONAL W.M.U. REPORT

October 15th, 1964

"Laborers together with God," "That the world through Him might be saved" was the central thought in the mind and heart of members of Woman's Missionary Union in our Jubilee Year.

What a wonderful privilege to be laboring together with God to help save the world. That is the purpose of Woman's Missionary Union. By laboring in prayer, Community Missions, Mission Study and Stewardship we are helping to carry out the great commission Jesus gave us in Matthew

28:19-20 "Go ye therefore and teach all nations, baptizing them in the name of the Father, the Son, and the Holy Ghost; teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world."

God has richly blessed us in the past but we must adventure with Him in the future.

We have 131 organizations including Sunbeams, G.A.'s, Y.W.A.'s and W.M.S. with 2,134 members in all organizations. There is much work yet to be done in our local churches to enlist more members in the work of our organizations.

Some of the highlights of our work for the past year included a workshop held at Sandy Branch to train officers and leaders for their work in the local churches. It was well attended.

Prayer Retreats and Cooperative Plays were encouraged in our Association.

Sandy Creek W.M.U. officers attended a workshop at Campbell College, taught by State Workers.

W.M.S. members enjoyed the State W.M.U. Convention in Durham and received helpful information.

There was a wonderful spirit at the annual W.M.U. meeting held at First Church, Sanford, N. C. We enjoyed a treat this year for we had TWO missionary speakers bringing us three messages: Mrs. C. D. Clark, Japan, and Rev. Calhoun Johnson, Thailand.

We are grateful for our Youth Organizations. The G.A.'s enjoyed a get together at Sandy Branch and heard Mrs. Virgil Morefield, Missionary to Italy.

Many of our Young People attended Youth Camps at Fruitland and Caswell this summer, receiving a greater knowledge of Missions and great spiritual inspiration which they will cherish and remember all their lives.

We all need to pray for the Lord's work in our Association.

Women and Young People are grateful to be Auxiliary of the Sandy Creek Association. May God bless us as we labor for Him in this wonderful work.

Respectfully submitted,
Mrs. Paul Cromer, President
W.M.U. Sandy Creek Association

The congregation sang, "Oh, Worship The King," led by Mr. West with Miss Loraine Sloan at the piano.

At this time Mrs. Bailey Groce, new Associational Woman's Auxiliary Union President, presented the speaker, Mrs. C. R. Smith, former missionary to the Hawaiian Islands. She used Acts 1:8 as her Biblical background and made a very interesting and informative talk. This was followed by a solo by Mrs. Ann McClure, "How Long Must We Wait," a lovely rendition.

Benediction was by the Rev. Larry McClure, pastor of Cool Springs Baptist Church.

SECOND DAY'S PROCEEDINGS
MORNING SESSION—OCTOBER 16, 1964
RIVES CHAPEL CHURCH

19B. The Second Day's Morning Session was opened by the congregation singing "To God Be The Glory" in keeping with our theme. Then we sang

two verses of "Blessed Assurance" after which the Reverend Gilbert C. McDowell, pastor of Jonesboro Heights Church, led our devotions. He emphasized the thought, "Where There Is No Vision, People Perish."

A very hearty welcome was extended by the Reverend Ira Cartee, pastor of the host church.

20B. Report of Children's Homes was given and adopted as given. Dr. W. R. Wagoner, General Superintendent, spoke to this report. He expressed the spirit of the children and gave a very inspiring and instructive talk.

REPORT TO THE ASSOCIATIONS BAPTIST CHILDREN'S HOMES 1964

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to develop the highest quality of men and women possible out of boys and girls who are served. Careful attention is given to their needs, both present and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognized for their sacred worth and value. They are provided food, clothing and shelter. But of greater importance than material things is the genuine interest, concern and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again—learn to trust in themselves, in adults and in God.

A member of this year's senior class expressed her appreciation for the Children's Homes in the following way: "Living at one of the Homes has given me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all I have learned to know, to trust, to follow and to serve Christ as my Saviour. I want North Carolina Baptists to know how very much I appreciate all that they have done for me and for thousands of other boys and girls who have needed a home, love and care."

Applications for the admission of children to the Homes far exceed resources with which to care for them. Areas of unmet need in child care await our attention. Many couples who have a double measure of love to share with homeless and dependent children have a wonderful opportunity of service awaiting them through the foster home program.

Genuine appreciation is expressed by those who direct our child care program for all who have helped to make this ministry possible. Income through the Cooperative Program, through the Thanksgiving offering, and through special gifts are vital to the services which are provided those who need our help. Financial support for the past year has come from the following sources:

Cooperative Program	36 Per Cent
Thanksgiving Offering	30 Per Cent
Once-a-Month Offerings	15 Per Cent
All Other	19 Per Cent

Most North Carolina Baptists are well acquainted with **Charity and Children,** official publication of the Baptist Children's Homes. This unique

newspaper is published each week and goes to more than 55,000 subscribers. Well over half the Baptist churches in the state receive it in bundles for distribution to the members on Sunday. See that your church receives **Charity and Children** so that every family may be better informed about the work of North Carolina Baptists, and particularly the program of child care. The subscription price is sixty cents per year in bundle form.

21. Report of committees called.

A. Music Report, given by Mr. Sloan, adopted as given.

SANDY CREEK BAPTIST ASSOCIATION
ANNUAL REPORT OF THE MUSIC DIRECTOR
OCTOBER 16, 1964

The Music Department has very little activity to report on the associational level this year. There are indications of a growing awareness of the part which music has to offer in our worship services, and we see healthy signs in some of our local churches as new choirs are being organized and a new emphasis placed on music.

Personnel changes include the resignation of Mr. Danny Bush as Minister of Music and Education at Love's Creek, and Rev. Lanny Johnson from the Jonesboro Heights Church, the same position. Mrs. Robert Bailey is now serving in a part time capacity at First Church, Sanford, as Minister of music.

Manuel Cunnup, Willie Shepherd, George Graham, Alden Hicks, Gilbert McDowell, and C. R. Smith were elected to serve as a committee for the purpose of looking into the need for and a recommendation of a Promotion Director.

Willie Shepherd, Chairman of the Finance Committee, reported that the committee will recommend a budget of $1,800.00 to the Association and that the committee will also recommend that the Missions Committee amount of $200.00 be placed in a savings account to be allowed to draw interest until such time as it is needed.

After these reports, the congregation stood and sang "Higher Ground," led by Mr. West, with Mr. Sloan at the organ.

22. The Report of The Training Union was given by the Reverend Garland Foushee, pastor of East Sanford Baptist Church. Mr. Foushee spoke to this report. He made quite a masterful address.

TRAINING UNION REPORT

Training Union "M" Night was held last December at the First Baptist Church, Siler City, under the direction of Rev. C. R. Smith. There were 244 in attendance.

This year on December 7, "M" Night will be held at East Sanford Church. The Rev. Woodrow Robbins, pastor of Lexington Avenue Baptist Church, High Point, North Carolina, will be the speaker.

Our Training Union Tournaments were held at First Church, Siler City, in April. There were contestants in each of the different categories.

We encourage our churches to give our young people a chance to show their ability to effectively participate in the leadership of their churches by observing YOUTH WEEK this year.

We call attention to the Training Union sponsored, CHURCH MEMBERSHIP STUDY, observed throughout the Convention in the Spring. This year these graded studies are on the theme, A STUDY IN WORSHIPING.

There is a total enrollment in our Training Unions of this Association of 1,477 as reported in last year's minutes. This shows an increase of 105

over the previous year. For this increase we are thankful.

There are yet 16 churches without a Training Union. We would hope each church would get a vision as to what a Training Union could do to develop leadership in our churches. Everywhere the cry goes up, "We need more workers; our leaders need to be trained." At the present, we have no other organization assigned the pacific task of training in church membership. This year, we are challenged by our Convention leaders with the "Adult Thrust;" which is an all-out effort to reach our adults for Bible study and commitment to Christ. This will call for more teachers and leaders. The near success of the "Thirty Thousand Movement" with 20,000 new missions and 10,000 new churches will demand a new army of leaders. It is doubtful that we can come close to meeting this need with a mere 10,000 net increase in Training Union Membership this year.

What better time and place to indoctrinate the new convert than at Training Union. What better place is there to set up special courses of instruction for teachers and prospective teachers than at the Training Union Hour.

Would not the extra effort to enlist the unenlisted in Training Union pay rich dividends by relieving the stress and strain and frustration suffered by the Nominating Committees of nearly all of our churches.

We live at a time when 37% of the population of the world is under the domination of Godless Communism. At the present rate of increase the experts tell us that by 1970 63% will be dominated by Communism.

When the lights of freedom are going out all over the world, the 3400 churches of North Carolina and the 34,000 in our Convention can not afford to let the lights go out on Sunday evening.

Respectfully submitted,
Garland L. Foushee
Associational Training Union Director

23. There was no Christian Education Report, but Mr. P. H. Anderson of Campbell College spoke quite earnestly to this subject emphasizing that the christian colleges need more of our support.

Dr. Howard Shields from Wake Forest College spoke briefly, agreeing fully with Mr. Anderson's splendid remarks.

24. The Baptist Foundation was represented by Mr. N. R. Brown, pinch-hitting for Dr. I. H. Greer. The report was adopted.

THE REPORT OF THE N. C. BAPTIST FOUNDATION, INC.

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind." The North Carolina Baptist Foundation, Inc., encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from accumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through accumulated income such as: (1) by living trust, (2) by gift annuity, and (3) by bequests in wills.

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations, and to all of our Baptist agencies and institutions.

We have been emphasizing the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasures In Heaven," on Christian will making, which are available to any organization upon request.

C. Gordon Maddrey, Executive Secretary

25. Evangelism Report was given by the Reverend Claude Simpson. Report adopted as given.

ASSOCIATIONAL EVANGELISM REPORT, 1964

The special five-year effort (known as Baptist Jubilee Advance), in evangelism and missions on the part of the Baptists of North America came to a close at the joint meeting of the groups in Atlantic City, New Jersey, in May 1964. What was done is now history and we cannot go back to improve or to change the record.

The record of our association reveals the following additions to the churches by baptism in 1961, 1962 and 1963:

1961—264; 1962—267; 1963—344. The inevitable question arises, where do we go from here?

We can and we must search our hearts before God to find His will for us and to experience His empowering as we endeavor to be obedient to His commands. This we need as individual Christians, as churches and as a denomination.

Most of us need to take a fresh look at evangelism as it is practiced in our personal lives and in our local church. To do this on the right basis we must first make an earnest effort to see what evangelism is as it is revealed in the New Testament. A good definition of the New Testament picture of evangelism is found in the new **Southern Baptist Handbook On Evangelism** which is as follows: "Evangelism is the outreach of the church by confrontation with the gospel of Christ to bring people to a personal faith and commitment to Christ as Saviour and Lord, in order that the committed may become a part of the outreach."

This wonderful experience of Christ confronting the lost through His people will not become a reality in a life or a church merely by accepting and adopting a creed, a statement of doctrine, a set of rules for conduct. There must be the experience of being in Christ and a perennial vigilance in seeking to be used of Christ in His purpose of redemption. In the light of these and other pressing truths we should ever keep before us these objectives:

1. To keep all programming and activities aimed at creating a spiritual atmosphere for evangelism in every church.
2. To keep alive a perennial awareness of the urgency of personal witnessing on the part of every Christian.
3. To refine and intensify our revival efforts.
4. To seek to keep the message positive, practical, scriptural and spiritual with unceasing prayer and diligence.
5. To spare nothing in seeing to it that the new and old church mem-

bers become a part of the outreach.

For practical help in moving toward these objectives consult the **Evangelism Plan Book for 1965** which the Division of Evangelism of the Baptist State Convention of North Carolina will mail to all pastors this fall and the Associational Evangelism Workbook which will be released by the Convention Press in October 1964.

HOSPITALITY REPORT

The New Testament phrase, "Given to hospitality," is a very fitting description of the Pastor and Members of Rives Chapel Baptist Church. The abundance of good food at lunch time proved that the ladies of the church practice what the Apostle Peter admonished, "use hospitality one to another without grudging." We deeply appreciate everything that has been done for our comfort and enjoyment.

We express our gratitude to the Officers, Program Committee, and Speakers for making this session such an inspiring, informative, and challenging one. May we answer the challenge with renewed zeal and dedication in working for our Master.

REPORT OF MEMORIAL COMMITTEE

In II Corinthians 5:1, we read:
For we know that if the earthly frame that houses us today should be demolished, we possess a building which God hath provided—a house not made by human hands, eternal, and in heaven. (New English Bible)

Ira D. Sankey composed words and music of a sacred song to sing as a solo in the Memorial service for Dr. D. L. Moody. The title is "Out of the Shadow-land."

Out of the shadow-land, into the sunshine,
Cloudless, eternal, that fades not away;
Softly and tenderly, Jesus will call us;
Home, where the ransomed are gathering today.

Chorus:
Silently, peacefully, angels will bear us

Into the beautiful mansions above;
There shall we rest from earth's toiling forever,
Safe in the arms of God's infinite love.

Out of the shadow-land, weary and changeful,
Out of the valley of sorrow and night,
Into the rest of the life everlasting,
Into the summer of endless delight.

Out of the shadow-land, over life's ocean,
Into the rapture and joy of the Lord,
Safe in the Father's house, welcomed by angels,
Our's the bright crown and eternal reward.

Heavenly Father,

Grant us grace to place our affections on spiritual and enduring things, the resurrection and the life. Give us peace and strength to guard our hearts and our thoughts in Christ Jesus, as in His name we pray. Amen

Respectfully submitted,
Mrs. Claude Simpson

"Take The Name of Jesus With You" was sung by the congregation at this time.

A CRYING NEED FOR MEN

R. Von King tells of an experience he had while speaking at a revival some while back. Reverend King said he had to drive to the church where the revival was in process day by day. On one of the days Reverend King said rain was pouring down. Upon his arrival at the church Reverend King noticed a huge man donning a black rain-slicker and directing traffic into the church parking lot. The man stopped Reverend King and guided him to a spot he had reserved for the visiting preacher's car. Reverend King spoke to the man and made his way into the church building. On his way to the Pastor's Study Reverend King had to pass the nursery, and as he approached it heard a baby crying terribly loud. Looking into the nursery Reverend King witnessed a sight which would baffle the great grandmother. No less than five women were trying to hush the cries of the infant. The ladies took turns walking with the baby back and forth across the room. The baby cried so hard Reverend King said he thought at any time the tyke would fly to pieces. No matter what the women did they could not hush the cries of the infant. Finally, in desperation, one of the ladies exclaimed, "It looks as if we are going to be forced to call 'Charlie'!" Reverend King's mouth flew wide open. Why call "Charlie"? This was a job for a woman; not a man. In a moment one of the ladies came back with Charlie. To Reverend King's amazement "Charlie" was the burley monster who had been directing traffic! "Charlie" pulled off his rain-slicker and leaned over the crying infant's crib. He could have picked the baby up with one of his huge rough hands. "Charlie" held the baby to his body and patted him gently. Soon the infant hushed his crying and was

fast asleep! Reverend King said if ever there was a crying need for a man, he was in that crib that night.

In our world today there is a **crying** need for men. And one reason there is such a need for men today is that we have gotten the wrong conception as to what a man is. What is a man? You let a group of young boys get together and you will see what they think a **man** is. Our young folks have gotten the idea that a man does not become **too** active in Christianity, that a man does not become **too** active in his church work. It is alright to go to church but a man does not get too excited about it.—Men, we have taught our young people a lie when we label the church and Christianity—feminine.

Possibly, some of you today are shouting, "Not so, not so"! If you do not believe it is true then take a look at all the Brotherhood organizations in our association. In my opinion the Brotherhood is the hardest organization to start and keep going of all the organizations Southern Baptists sponsor. Time and time again I have seen or heard of instances where men have to be begged to attend. Where men have to be begged to participate. We even have to beg men to support the Royal Ambassador organizations where their sons are members. How unconcerned can we be when we do not seem to care for ourselves or our children? Women have become concerned. We have many strong W. M. U. organizations, but what does it take to make men concerned?

There must be reasons for this lack of concern. Could it be that the organizational structure of the Brotherhood itself is inadequate? Certainly I would be one of the first to agree that no human being can set up a perfect organization. Even though there may be problems of this nature, I believe the main reasons for Brotherhood failure can be found in the people who try to organize a Brotherhood or the ones who try to keep one going.

This afternoon, I will begin with myself. I am afraid we ministers or educational directors have tried so long at butting our heads against a stone wall, that instead of realizing you need a drill to cut through the wall—not a head—, we have given up. If you have tried Brotherhood in your church and it did not go over so well, why didn't it? Was it possibly because you thought you knew so much about Brotherhood work that you did not study the organization and plan it adequately? Can you expect grown men to attend and participate in a sloppily and haphazardly organized Brotherhood? Can you honestly expect a grown man to attend a meeting that does not give him something of value when he attends it?—No—You and I cannot expect grown, intelligent and busy men to do so. Then you say, "Well, what of it"? Well, the "what of it" is that we try our half-way organized ideas and then when they do not work we throw our hands up in the air in despair and cry—"I give up" and blame the failure on our men.

But, in many cases the fault lies with the men also. If men really want a Brotherhood no one man, minister or not, is going to stand in their way. But if men truly want a Brotherhood organization they must be willing to participate actively. Brotherhood is a mission centered organization, but do you go to Brotherhood meetings to learn about missions and become active in missions or do you attend just because there is another meeting at the church to attend and the pastor wants you to go? Have we forgotten the mission of a Christian? Have we forgotten that there

is a world about us that does not know Christ? Have we forgotten our friend who drinks heavily and he and his family never attend church. He has never accepted Christ and mistreats his family? Have we forgotten our sons—the ones we are supposedly training for the future? Yet, we are uninterested in Brotherhood! We work hard to make sure our church is beautiful and that we have the physical materials we need in our church. But what about the spiritual needs? Can we just attend Brotherhood meetings and meet these spiritual needs? We dislike doing the spiritual work so badly that we substitute Brotherhood or church attendance as the only good thing expected of us. When we attend we think our job is over. This is **not so!** We go to learn so that when we go out into our daily lives we may apply what we have learned to actively witness for our Christ. When we finished our formal education, we did not just quit living then but rather as we went out into the big world we used what we had learned to accomplish the missions of our lives. So it is with Brotherhood, we come to learn and leave armed to serve. But the knowledge is of no value unless we put it to use. It all boils down to the question, Do you want a Brotherhood? Do you really recognize the need but try to throw it off of ourselves by actively supporting some other youth organization. When are we Baptists going to wake up to the fact that we have a job to do and we cannot accomplish this job by throwing it off on some other organization?

If you do not recognize the need for a Brotherhood and all it stands for just take a look about you. Take a look at the people who are not christians, take a look at the world need for missions. Take a look at the world we are sending our boys out in without adequate spiritual background. Take a look at your sons and the boys of your church. Do you see a need? As you take a look at all these I have mentioned quote Matthew 28:19-20 and I dare you to say, "There is no need for a strong Brotherhood."

PROCEEDINGS OF THE 206TH ANNUAL SESSION OF THE SANDY CREEK BAPTIST ASSOCIATION MORNING SESSION—THURSDAY, OCTOBER 15, 1964

1. The Two Hundred and Sixth Session of the Sandy Creek Baptist Association met with the Oakley Baptist Church the first day. The meeting was called to order by the Moderator, The Reverend C. R. Smith at ten o'clock in the morning.

The congregation, with the Reverend E. Paul West leading, sang the Theme Song for this Year, "To God Be The Glory." Our Associational Music Director, Mr. E. E. Sloan, was at the organ.

A very inspiring devotional was conducted by the Rev. C. L. Carrick, retired minister who lives in Siler City. He used Second Peter 3: 18b as a basis for his discussion.

2. A very warm and appropriate welcome was extended by the Reverend Earl Moseley, pastor of the host church.

3. Report of the Program Committee was given by the Reverend Claude Simpson, chairman of this committee. The report was adopted as given.

4. The Moderator recognized new pastors. They were as follows:

Rev. Charles T. Clanton, Emmaus Baptist Church
Rev. Rufus Culler, Antioch Baptist Church
Rev. B. Shaver, Flat Springs Baptist Church
Rev. John R. Blanchard, Moons Chapel Baptist Church
Rev. James R. Byerly, Rock Springs Baptist Church
Rev. Garland L. Foushee, East Sanford Baptist Church
Rev. G. W. McDowell, Jonesboro Heights Baptist Church

Also, Mrs. Robert Bailey, director of music at the First Baptist Church of Sanford, was recognized.

Quite a number of the new pastors' wives attended the meeting with them.

Dr. and Mrs. Edwin Bell, retired, now living in Sanford, were recognized. Dr. Bell was on the faculty of Crazer Theological Seminary at retirement. Previously for a period of fifteen years he had represented the American Baptist Convention in Foreign Missions in Europe. He is now available for supply work.

Also recognized was the Reverend William R. Schillinger, who had served as pastor in the American Baptist Convention. He held pastorates in New Jersey and Pennsylvania.

5. Co-operative Program Report was given and adopted as given. Tom Green, secretary of Stewardship Development, spoke on this report.

REPORT FOR THE COOPERATIVE PROGRAM

The Cooperative Program helps us to meet a total world missions task. Through this means our churches are able to present a united front and to develop a unified approach.

Since 1925 the Cooperative Program has been the channel enabling North Carolina Baptists to support the world missionary committed to them by Christ in the Great Commission.

Your church has a part in the support of over 5,000 missionaries who baptized over 58,000 people last year if you give through the Cooperative Program.

In addition to these missionaries we help 63 Baptist hospitals, 45 orphanages, 14 homes for aging and 1,132 schools around the world as we give through the Cooperative Program.

The Cooperative Program is the love of God in action, the hands of Christ at work.

The individual Christian worships with tithes and offerings in his local church. The church plans a budget and decides what portion shall be given to all denominational causes through the Cooperative Program.

Contributions from the churches through the Cooperative Program for all causes are sent to the Convention office in Raleigh. Cooperative Program gifts are then divided between all missions, Christian Education, and Social Service work of Southern Baptists. Each Baptist hospital, childrens' home, school, home for aging, and each area of general mission work receives a part of the Cooperative Program dollar.

The sun never sets on the work of our Cooperative Program.

By decision of the Special Convention in Greensboro our churches are

urged to increase their giving through the Cooperative Program by at least 35%. Receipts beyond the basic budget for this year make up an advanced section of the Cooperative Program and is allocated for expansion and capital improvement in the program of Higher Christian Education through our seven Baptist colleges (85% for colleges, 15% for student centers.)

Stewardship Development

Our people are giving approximately one third of the tithe into their churches. The churches give an average of a little more than eight cents of each dollar of church income through the Cooperative Program to witness to two billion lost people in the world.

Now available to our people in North Carolina, and the Southern Baptist Convention, are four programs specifically designed to give Missionary Baptist Churches "know how" in reaching their tithe potential, thus making possible greater participation in the World Mission Program of Southern Baptists.

These programs are "The Forward Program of Church Finance," "Growth in Christian Stewardship" (for churches with up to 300 members). "Stewardship Development for Baptist Associations," and "Year-round Stewardship Development."

During the past associational year churches in Association gave a total of $ through the Cooperative Program. churches, according to available records, did not contribute to the World Program of Jesus through the Cooperative Program.

In the year ahead, above all things, let us determine to be faithful to the guidance of God's Spirit and share with a lost world to the limit of our ability.

Recommendations

1. We recommend that our churches focus attention upon world missions using four Wednesdays in October (or some other month) as Cooperative Program Emphasis Month. Southwide periodicals, the "Biblical Recorder," and material provided by the Division of Stewardship Promotion of the Baptist State Convention supply a rich field for program building in the local church. Thus our people are informed and challenged to pray for all mission causes.

2. We recommend that every church in the association give prayerful consideration to increasing the percentage now being given to missions through the Cooperative program to undergird the world-wide work of our Lord.

6A. Miscellaneous business and announcements were taken care of at this time. Mr. M. E. Cunnup presented an amendment to the Constitution, read today, to be voted on tomorrow. The motion was taken up Friday, and it was given a favorable vote. The amendment follows:

PROCEEDINGS OF THE 207TH ANNUAL SESSION
of the
SANDY CREEK BAPTIST ASSOCIATION

MORNING SESSION - THURSDAY, OCTOBER 14TH, 1965

1. The Two Hundred and Seventh Session of the Sandy Creek Baptist Association met with Love's Creek Baptist Church the first day. The meeting was called to order by the Moderator, the Reverend C. R. Smith, Jr., at 2:30 P.M. in the afternoon.

The congregation, led by Mr. Clyde Dorsett, accompanied by Miss Sharyn Siler at the organ and Miss Carolyn Stone at the piano, sang Hymn Number 1, "All Hail the Power of Jesus' Name." The Reverend Alden Micks gave a very appropriate devotion.

2. A very warm welcome was extended by The Reverend Alva S. Ellis of the host church. At this time the Reverend Mr. Hollingsworth of Wake Forest College was recognized. He spoke briefly, bringing greetings from the College.

3. Report of the Program Committee was given by the Reverend Mr. Ellis. Report was adopted as given.

4. The following new pastors were recognized and welcomed into the Association:

Reverend Ralph Prennell at Friendship Baptist Church
Reverend David P. Page at Goldston Baptist Church
Reverend Darden Battle at Moncure Baptist Church
Reverend Henry Doug Roebuck at Staley Baptist Church

5. The Sunday School Report was presented by the Reverend Robert Bailey. Report was adopted as given.

SUNDAY SCHOOL REPORT

The Great Commission of our Lord continues to be the marching orders of Christians in this twentieth century. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things . . ."

The Sunday Schools of our churches have been assigned the tasks of teaching the Bible, reaching the unreached, leading all church members to worship, witness, learn, and minister daily, furnishing workers for various projects, and interpreting the work of the church and denomination - thus helping the church in its basic functions of worship, proclamation, education, and ministry.

Southern Baptist Sunday Schools are seeking to enroll ten million by 1970. In order to achieve this goal, we must have an enrollment gain of approximately 30% in the next five years. We are challenged to have an enrollment of one million in North Carolina by 1970. Outreach must have priority.

We are asking each Sunday School in our association to accept a net enrollment increase of 3% for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. We will grow great Sunday Schools as we show compassionate concern for the unreached. Evangelism, stewardship, missions, discipleship - all wait upon outreach.

These enrollment gains can be realized by organizing new Sunday Schools (a new Sunday School will gain 30); the organizing of Extension Bible Classes (each will gain 10); the starting of new adult classes (each will gain 6); the activating of Extension, Cradle Roll, and Young People Away Departments (each will gain 6); and enrolling Vacation Bible School pupils in Sunday School.

If we will follow the simple growth formula advocated many years ago by Dr. Arthur Flake - locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people - we will reach more people for Bible study; our baptisms will increase; Christian stewardship will become a reality; and our churches will be strengthened.

Along with an increased emphasis upon outreach, each Sunday School is urged to observe January Bible Study Week, to plan a church and

mission Vacation Bible School, to promote Operation Home Study and other opportunities for training; to cooperate in the Adult Thrust movement, to participate in the Associational Sunday School Projects - clinics, conferences, enlargement campaigns; and to attend the Sunday School weeks at Cashwell and Ridgecrest. When our Sunday Schools begin moving forward, our churches will move forward.

From October 1964 to March 1965 only two churches in the Association had earned awards in category 17 of the Church Study Course. Without vision the people perish and without a study of administration and teaching methods the Sunday Schools of the Association will die. In October 1966, there has been planned an Associational Sunday School Clinic to help us to do a better job of Sunday School work. Begin now to make plans to participate in this study.

The Sunday Schools in the Association reported a total enrollment of _____ as compared with 8,118 in 1964.

Respectfully submitted,
Robert Lee Bailey

6. Miscellaneous business was called at this time. There was none. The congregation stood and sang Hymn No. 435, "Oh God, Our Help in Ages Past."

7. The Biblical Recorder Report was given by Robert Branch. This was a very interesting, intellectual, and instructive report. There was no written report for the Minutes.

8. Registration Report was given at this time by Miss Burdine Womble. It showed that ninety-nine (99) delegates and fifteen alternates had registered at this time.

9. Cooperative Program Report was given by Mr. Paul West of Mount Olive Church. Dr. Robert H. Bruhn, Administrative Assistant to Dr. Perry Crouch, spoke to this report. Report was adopted.

COOPERATIVE PROGRAM REPORT, 1965

It is now a well-accepted fact that the Cooperative Program of World Missions is the foundation for our total missionary endeavor—that of preaching, teaching, and healing in the name of Christ at home and abroad.

Even as we presently support the work of 2,000 foreign missionaries, 2,500 home missionaries, and more than 100 missionaries in North Carolina, Dr. Baker James Cauthen, Secretary of the Southern Baptist Convention Foreign Mission Board, has challenged us to send out 5,000 foreign missionaries in the years immediately ahead! This will mean greater sacrifice and greatly increased giving on the part of Baptists everywhere!

We are witnessing our greatest advance in history with 52.27% of the southwide Cooperative Program dollar being allocated to Foreign Missions.

We are advancing in our concern for a lost world—more than 1300 Baptist churches have set goals as a part of the Conventionwide emphasis to enlist 2,000,000 tithers by October, 1966. Sandy Creek Association has adopted a goal of 2,500 tithers (approx. ⅓ of our resident membership) by October, 1966. A free "planning kit" for tither enlistment is available from our state office for every church or pastor adopting a definite goal.

According to available records Sandy Creek Association during the year 1964 gave a total of $43,050.00 through the Cooperative Program. Five churches did not share in world missions through the Cooperative Program. Let us determine NOW to be faithful in worship with tithes and offerings and share regularly through the Cooperative Program.

Recommendations

We recommend:

1. That the churches participate in the TITHE . . . NOW! Emphasis.
2. That we engage regularly in prayer for cooperative causes and give

special emphasis to prayer for these causes during the October Cooperative Program Emphasis.

3. That every church plan a Stewardship program in Sunday School Assembly following the fourth prayer service of the October Cooperative Program Emphasis. (Or any month suitable to the local church.)
4. That the churches give regularly through the Cooperative Program.

Respectfully submitted,
E. Paul West,
Cooperative Program-Stewardship
Representative

10. Report on Baptist Hospital was given by Alden L. Hicks. Report adopted as given. Chaplain Lowell Sodeman, former pastor of Rocky Mount First Church, now serving at the Baptist Hospital, spoke to this report.

REPORT ON BAPTIST HOSPITAL

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center in Winston-Salem last year, and more than 19,000 were hospitalized for bed care. Most of these people were sent by their local doctors because of their special needs. They came from all sections of our state and from every kind of financial background.

Furthermore, there were more than 700 persons in training in various fields of medical care and Christian service. These will go out into different fields of service to serve their fellowman and their Lord.

All of the Mother's Day offerings were used for the purpose of helping those who need help financially. Much free service was given by this means. Our Association from January through September, 1965, contributed $3,527.81 to this great ministry. This figure represents a small increase over last year. We are gratful for this support by our churches.

11. "The Church's One Foundation" was sung at this time, after which the nominating committee's report was given by M. E. Cunnup. A copy of this report may be found near the front of these minutes (Page 1). The Moderator recommended Mr. M. E. Cunnup for Promotional Secretary to take the place of Mrs. Maxine J. Cartee, resigned. He was enthusiastically elected.

12. Report from the Homes for the Ageing was given by Fred Paschal. Report was adopted.

REPORT ON BAPTIST HOMES FOR AGEING SANDY CREEK BAPTIST ASSOCIATION

Our first home was established at Resthaven, Kentucky Avenue, in Winston-Salem, North Carolina, and we had so many applications to enter the home that we soon established another at Albemarle, North Carolina; and then, the Hayes Home was built on Reynolds Park Road in Winston-Salem where the Main Offices are located. Within a short time, the demand for admittance to the homes was so great that we erected another new home at Hamilton, North Carolina, and now we have in the planning stage another new home we hope to erect at Yanceyville, North Carolina.

The Homes for the ageing is one of the new agencies of the State Baptist Convention, and it is not so well known and established by our people. I don't know how many of you ever visited one of the homes mentioned, but I hope that you will visit at least one of them the first opportunity that you have. I know that you will be agreeably surprised and proud of the courteous treatment of our senior citizens and that you will find them contented and happy, many of them better situated than they had been for years before entry into the homes.

I want to urge that each of you make a sacrifice to make a contribution to this worthy cause.

Respectfully submitted,
R. F. Paschal

15. The Annual Sermon was preached by the Reverend W. W. Hutchins, pastor of First Baptist of Sanford. His subject was "The Looking Over of the Church." He said our most intellectual people are looking it over. Our young people are looking it over. Christ is also looking it over. What does he see? Does he see what he has a right to see? He posed three questions: 1. Does Christ find a sense of God's presence in His Church 2. Does He really find true Evangelism? 3. Does He find the Church loving enough to rise above the barriers separating the family of Christ?

Prayer of Dismissal for lunch was led by Ira O. Cartee.

EVENING SESSION - OCTOBER 14, 1965, AT LOVES CREEK BAPTIST CHURCH

We are grateful to the program committee and speakers for an informative, inspirational, and challenging program.

For everything that has been done for our comfort and convenience, and to everyone who has had a part in the planning and preparation of this Associational meeting, we say "thank you."

W. M. U. ASSOCIATIONAL REPORT

I will praise Thee O Lord among the people. I will sing unto Thee among the nations. (Psalms - 9th verse) watch-word.

The Women's Missionary Union of the Sandy Creek Association has had a busy and profitable year. Several of the leaders attended Ridge Crest W. M. U. conference. Most all the officers of the association attended the workshop at Campbell College. An executive meeting was held after the conference at Campbell College so that we might have the opportunity to get acquainted and plan the work of the association for the year. Our association workshop was held at Sandy Branch Church which was well attended.

One of the highlights of the year was our annual meeting held at Siler City First Baptist Church with 250 women attending. We had the privilege of hearing Dr. Mein, a Foreign Missionary to Brazil, speak to us on "That the Light Might Shine In Brazil." Miss Loftis was the speaker of the evening. She works among the Cherokee Indians.

We are grateful for the work of our Youth organizations and their leaders. The State Y. W. A. Leader, Miss Sara Hobbs, from the state office, taught a seven and one-half hour leadership course for the Y. W. A. leaders at Siler City First Baptist Church. Also, Miss Nancy Cousins, the state G. A. leader, taught a seven and one-half hour leadership course at Sandy Branch Church for the G. A. leaders, which was well attended. A seven and one-half hour leadership course at Siler City First Baptist Church was taught for all W. M. U. leaders in the association by Mrs. C. R. Smith and Mrs. H. G. Jacobs.

Several of our women attended the state meeting in Greensboro. Our W. M. U. association made a special gift of $300.00 to the Lottie Moon offering. What a wonderful privilege to be laboring together with God in the W. M. U. work.

Pray with us that we may organize the three churches without a W. M. U. in the association. May we be able to carry out our watch-word for the New Year having the everlasting Gospel to Preach to them that dwell on the earth, and every nation, Kindred and tongue, as we sing our Hymn throughout the year. "Oh! for a Thousand Tongues" to sing that it will remind women and young people of the Glories of our God and King. May the words capture the power of the Missionary Spirit.

Respectfully submitted,

Mrs. Bailey Gross, President

W. M. U. Sandy Creek Association

SECOND DAY'S PROCEEDINGS - OCTOBER 15, 1965

MORNING & EVENING SESSIONS - ANTIOCH BAPTIST CHURCH

21. Meeting called to order by the Moderator. "Love Lifted Me," was sung by the congregation. This, as was all music during the day, was led by Mr. Tommie Headen with Mrs. Bill Gaines at the piano.

This was followed by a very inspirational devotional led by the Reverend Gilbert G. Mister, pastor of Pittsboro Church.

A hearty welcome was given by the host church's pastor, the Reverend Rufus Culler.

22. Children's Homes Report presented by J. G. Bailey and was adopted as given. Mr. W. A. Wagoner, head of the Children's Homes, spoke to this report.

REPORT ON BAPTIST CHILDREN'S HOMES

One of the greatest ministries of North Carolina Baptists is that of the Baptist Children's Homes. If one will pause and visualize children cast out without home or food; then you will realize the importance of this ministry.

This is missions in action. Homeless children learn that someone cares about their welfare. Most of them come from broken homes, homes where, because of sin, father and mother seem to say, "We no longer care for them." These children receive love and affection. They are evangelized, taught the word of God, and to make a public profession of faith in Christ. They are educated and carefully disciplined while being taught the basic things of life as needed to assist them in facing the challenge of the future.

The ministry of child care is a ministry of conservation and rehabilitation. Many young men and women are growing into Christian adults as a result of the efforts of the Baptist Children's Homes. Many homes have been rescued from wreck and destruction. Eternity alone will reveal the results of this work.

This group of homes consists of: Mills Home, Thomasville; Kennedy Home, Kinston; Odum Home, Pembroke; Chapel Hill Home, Chapel Hill. Along with Foster Homes and other services.

Another important ministry is for the care of unwed mothers. This ministry leads those who have collected sin's wages to know that God, and His people, still cares for the lost. It will save the souls and hide a multitude of sins, while rescuing them from the wayfaring life.

Great plans are being laid for the future. A Long Range Development Program from 1965 through 1980 is planned. This will require a vast number of new buildings too numerous to mention here, but very essential in the care of young lives and souls.

While this program requires the work and planning of its personnel, there will be a great responsibility and obligation as a part for other North Carolina Baptists. The combined building cost alone is near $3,575,000.00. If we think the expense of operating our homes is high, carefully anticipate the cost of caring for 1000 children for one year. Then the staff to care for them, and essential items for human needs. As North Carolina Baptists, we should meet the challenge, and look with pride, into the future at the Christian men and women produced by the Baptist Children's Homes.

Respectfully submitted,
J. G. Bailey

REPORT OF STEARNS MEMORIAL ASSOCIATION

Our Mother Church at Old Sandy Creek has been the inceptor for many denominations. Despite the fact that there was much soul-searching and heartaches, there has also been much joy and gladness. The work that was started by the Reverend Shubal Stearns at Sandy Creek has evidently been pleasing to God as has been evidenced by the blessings it has received throughout the nation and around the world. When the Battle of Alamance drove the wedge between the colonists and England, it showed the early settlers that they could not have the promised freedom of worship under British rule. They moved to the mountains of North Carolina, to Tennessee, to Kentucky, and even to Texas. With them they carried their faith that had blessed them previously. Our faith can be greatly strengthened by their example. God will continue to bless the work of the right and just.

24. Training Union Report by Joe B. Crouch was adopted as given.

BAPTIST TRAINING UNION REPORT

The first mass meeting of our Training Union was "Mobilization Night" on December 7, 1964. We met at the East Sanford Baptist Church, Sanford, North Carolina under the direction of Reverend Garland Foushee. The attendance was around two hundred. Our speaker for the evening was the Reverend Woodrow Robbins, Pastor of the Lexington Avenue Baptist Church, High Point, North Carolina. He delivered a very challenging message.

Our training Union Tournaments were held at the Sandy Branch Baptist Church in April. There were contestants for most of the categories.

An Associational-wide Officers and Leaders Training Union Clinic was held at the Oakley Baptist Church, May of this year. This Clinic was well attended. We had several workers, headed by Reverend Sam O'Neal, from the Training Union Department, Raleigh.

We held several Associational Officers Meetings during the year. The total enrollment in our Training Unions of the Association number 1427 as reported in last year's minutes.

Out of a total of thirty-four churches, we have twenty churches reporting a Training Union.

The Baptist Training Union undertakes to train all church members who are willing to prepare themselves to do the Lord's work in a greater and a more efficient way.

All that has been accomplished this year was through the interest, prayers, and work of the faithful Christians who believe and have a conviction that training is a must in the life of a growing Christian.

We hope this new year will enjoy a real increase in Training Union activity and growth in all of our churches and many new Training Unions will be organized soon.

Respectfully submitted,
Associational Training Union
Joe B. Crouch, Director

25. Christian Education Report by Reverend G. W. McDowell was adopted as given.

CHRISTIAN EDUCATION REPORT

During the past year the contribution of Baptist colleges to Christian layleadership in church and community has been strongly emphasized. Our seven colleges, to date, have graduated more than 45 men and women.

Many of these graduates are not only filling responsible places of leadership in their churches, but are exerting a profound influence on religious, moral, and ethical life of communities in which they live. All during the past year testimonies have continued to come in from teachers, doctors, lawyers, industrialists, artists, musicians, homemakers, and many other categories too numerous to name. All of these testimonies assert two things: attending a Christian college gives a closer tie to the local church, and a greater sense of responsibility for Christian citizenship in the local community.

The Christian Education Day theme for 1965 will be centered around the contribution of Baptist colleges to denominational leadership. At the present time more than 500 students in the North Carolina Baptist colleges are volunteers for full-time Christian service and more than 100 of these volunteers want to be home or foreign missionaries. Our current denominational leadership throughout the entire Southern Baptist Convention has been trained almost one hundred per cent in Baptist schools and colleges.

With the action of the Convention in 1964, the Christian Education Day offering became an approved offering on the par with all other special offerings in our Convention. One of the ways to solve the financial problem of our Baptist colleges would be to increase substantially

the Christian Education Day offering. We urge you to make plans now for observing Christian Education Day on Father's Day next June. We also urge you to treat the special offering in your church as you do all other special offerings.

Each Sunday from campuses all over the state, faculty members, administrative officers, and students move out into the churches to preach and assist the churches as supply pastors, Sunday School teachers, youth leaders, and special speakers in the area of missions, stewardship, and evangelism. Teachers, particularly in our colleges, welcome the opportunity to supply pulpits.

Again, let it be emphasized that the Cooperative Program is the lifeline of Baptist colleges as it is equivalent each year to several million dollars of endowment. The Cooperative Program is the best way to support your colleges through your church. Soon our Convention leaders will announce another great five year program of advance and achievement. The colleges are back of this program and will support it in every way.

26. In the Evangelism Report, Evangelism, Proclamation, and Witness were emphasized as the main theme for this year. After a Hymn, "To God Be the Glory," The Reverend Tom Greene of the State Office gave a very impressive talk on this subject.

REPORT ON EVANGELISM TO SANDY CREEK ASSOCIATION

Churches in the North Carolina Baptist State Convention reported 27,346 baptisms in 1963 and 29,725 baptisms in 1964 - a gain of 2,379 or 9%. Churches in the Sandy Creek Association reported 344 baptisms in 1963 and 313 baptisms in 1964 - a decrease of 31. This year's church letters report 239 baptisms.

The theme adopted by the Southern Baptist Convention for the year 1966 is, "Proclamation and Witness." Let us emphasize this theme in all of our churches beginning with the new associational year. For a full discussion of this theme see the October 1965 issue of Training Union Magazine.

Let us make every effort to win the lost in our communities to Christ. The Adult Thrust Program that has been in effect this past year is without doubt one of the best methods to win adults to Christ. Let us challenge our leaders to soul-winning by observing Soul-Winning Commitment Day.

The State-wide Conference on Evangelism meeting February 7-9, 1966, in Greensboro will challenge both pastors and laymen. Let's get a number of our laymen to attend.

Vacation Bible School affords one of the greatest opportunities to win the children to Christ. Why not plan a ten-day Bible School? The opportunities are beyond estimate.

The President of the Southern Baptist Convention, Dr. Wayne Dehoney, says: "The major issue facing us is whether the Southern Baptist Convention as the largest Protestant denomination, is going to accept its role and launch the greatest evangelistic thrust in history." No informed child of God would argue with Dr. Dehoney about this being the "major issue" before us. The purpose of our theme for the year ahead is to help get us aimed and moving toward this objective.

The evangelistic thrust needed now awaits not on new methods, but on new men.

Respectfully submitted,
Garland Foushee, Chairman
Evangelism Committee

Prayer of dismissal for lunch was by George M. Graham.

AFTERNOON SESSION

OCTOBER 15, 1965 - ANTIOCH BAPTIST CHURCH

27. Devotional by Jim Rentz, whose theme was "Feed My Sheep." This was followed by Hymn Number 188, "Amazing Grace."

28. Brotherhood Report was presented by Jim Rentz for Reverend Larry McClure. Clyde Davis, State Brotherhood Secretary, spoke to this report. Report was adopted.

BROTHERHOOD REPORT

SANDY CREEK ASSOCIATION - OCTOBER 15, 1965

Mrs. Margaret Gross, our associational W.M.U. president, said in our closing session yesterday that only three churches in our association did not have a W.M.U. organization. Thank God for the great work of our women. But let us also claim our manpower to the service of God. There is no greater need in this association than to bring men and boys into a commitment to Christ. The Baptist Brotherhood can be a vital tool in this process.

Brotherhood is a unique organization of the church in that its membership is composed only of Baptist men of the church. It exists for the purpose of helping the church achieve its missions tasks.

Brotherhood is an educational organization with distinctive objectives and ministries. It fulfills a role assigned only to this group in the educational program and in the work of the church as it majors upon missionary education and missions promotion.

Brotherhood is a fellowship of Baptist men, members of the church, organized to advance the cause of Christ through a program of missionary education and missions promotion designed to inform, motivate and involve men in the missions task of the church.

Brotherhood is responsible for missionary education for men, young men, and boys in Southern Baptist Churches, which is one of the greatest needs of this day. Its study program is designed to interest and challenge the men and boys of the church to become mission-minded Baptists. It permeates such major areas as Christian witnessing and personal stewardship as they vitally relate to missions in the community, state, nation and world.

The Brotherhood Objective is to lead men to:

1. A deeper commitment to missions.
2. A more meaningful prayer life for missions.
3. A larger stewardship on behalf of missions.
4. A personal involvement in missions.

This past year three churches organized brotherhoods in this association. This gives us a total of ten Brotherhood organizations. Several churches have stated that they are very much concerned about bringing their men and boys together under the Baptist Brotherhood program. Let us set our goal to have at least twenty Baptist Brotherhoods in his association next year.

Respectfully submitted,
Larry R. McClure
Brotherhood President

F. Hospitality Report given by Mrs. Myrtle Cromer and adopted.

REPORT OF HOSPITALITY COMMITTEE TO SANDY CREEK ASSOCIATION

I am so happy to praise God for His many bountiful blessings and today we have enjoyed many of them.

On behalf of the Sandy Creek Association I want to say: "Thank you, Antioch Baptist Church, for making us feel so welcome. We have enjoyed your hospitality, the spiritual and physical food has been most appetizing. We have enjoyed the accommodations of your church and of the new addition. We thank you for the lovely flowers which portray God's beauty so refreshingly.

So, from all of us, again I say, "Thank you."

Respectfully submitted,

Mrs. Paul Cromer

30. Appointment of Committee on Committees was made by the Moderator. They are: Reverend Gilbert McDowell, Chairman, P. O. Box 2003, Jonesboro Heights Station, Sanford, N. C.; Reverend Gurman Hart, Route #3, Siler City, N. C.; and Reverend Bewey M. Shaver, Route #5, Sanford, N. C.

31. A lovely Memorial Service was conducted by Mrs. Claude Simpson. For her background scripture she used devotional reading Number 95 from the Baptist Hymn Book. "When the Roll Is Called Up Yonder" was sung. The whole service was very touching.

32. G. Gordon Maddrey represented the Baptist Foundation. He gave a very good explanation of The Baptist Foundation. He emphasized Memorial Investments in the Foundation and pointed out they have grown from $60.11 to approximately $450,000.00.

The Reverend E. Paul West took over as new Moderator and installed the officers for the coming year. After a prayer by the Reverend C. R. Smith, The Sandy Creek Baptist Association adjourned, sine die.
